When a man and woman decide to join together in marriage, they should do so with full realization of their responsibilities. Marriage is serious business. When two born-again believers know it is God's will for them to marry, they come together before God, a minister and witnesses to join their hearts and lives. They make a public profession of their mutual love and devotion, pronouncing vows and pledging their lives to each other. As they pronounce the marriage vows in faith, the power of God goes into operation and a miracle takes place. They are united by God and become as one in His sight. Their union is threefold: They are joined together spiritually by God, legally by the contract they enter into and physically, when the marriage is consummated. A husband and wife are joined together as Jesus is joined to the Church. It is a miraculous union. This booklet contains the wedding ceremony that I use as a minister of God. It is based totally and completely on the Word of God. As you use this ceremony, I add my faith to yours in believing God for lives of love and harmony for the couples you minister to, in Jesus' name." **Kenneth Copeland Evangelical Lutheran Worship Liturgical Resources I I Will Bless You and You Will Be a Blessing, Revised and Expanded Church Publishing, Inc.** Newly revised, expanded, and perfected text from the 78th General Convention of The Episcopal Church, held in Salt Lake City in July 2015. Not Yet Married The Pursuit of Joy in Singleness and Dating Crossway Life Is Never Mainly About Love and Marriage. So Learn to Live and Date for More. Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. Not Yet Married is not about waiting quietly in the corner of the world for God to bring you "the one," but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but that's because he loves you and knows how to write a better story. Public Vows Harvard University Press We commonly think of marriage as a private matter between two people, a personal expression of love and commitment. In this pioneering history, Nancy F. Cott demonstrates that marriage is and always has been a public institution. From the founding of the United States to the present day, imperatives about the necessity of marriage and its proper form have been deeply embedded in national policy, law, and political rhetoric. Legislators and judges have envisioned and enforced their preferred model of consensual, lifelong monogamy--a model derived from Christian tenets and the English common law that posits the husband as provider and the wife as dependent. In early confrontations with Native Americans, emancipated slaves, Mormon polygamists, and immigrant spouses, through the invention of the New Deal, federal income tax, and welfare programs, the federal government consistently influenced the shape of marriages. And even the immense social and legal changes of the last third of the twentieth century have not unraveled official reliance on marriage as a "pillar of the state." By excluding some kinds of marriages and encouraging others, marital policies have helped to sculpt the nation's citizenry, as well as its moral and social standards, and have directly affected national understandings of gender roles and racial difference. Public Vows is a panoramic view of marriage's political history, revealing the national government's profound role in our most private of choices. No one who reads this book will think of marriage in the same way again. Liturgical Resources 2 Marriage Rites for the Whole Church Church Publishing In response to the 79th General Convention's resolution B012, Liturgical Resources 2 includes the marriage rites newly authorized for trial use and essays of pastoral, liturgical, and theological significance to the topic. Psalms Redux Poems and prayers Canterbury Press These striking and memorable poems are contemporary reworkings of an ancient collection of poetic texts, the Psalms. The Psalms are noted as much for their raw honesty as for their beauty and depth. No human experience or emotion is considered off-limits and the writers rage at God for life's incomprehensible cruelty as freely as they exult in life's blessings. Carla Grosch-Miller takes these powerful voices and themes and transposes them from a distant and ancient culture to a contemporary one with recognizable images and metaphors. Some sixty refreshed Psalms reflect the wrestling that accompanies new understandings of God. Others are wholly new and are written for specific occasions and events in modern life. Psalms Redux is not intended to supplant the Psalms that are the poetry of our faith. Rather they are aids for those who are seeking to refresh their vocabulary of prayer and worship. Blessed Among Us Day by Day with Sainly Witnesses Liturgical Press Since the early centuries, Christians have held up the saints as models of living the Gospel of Jesus Christ. While the church officially recognizes a relatively small number of saints, the actual roster is infinitely wider. Blessed Among Us explores this eclectic "cloud of witnesses"—lay and religious, single and married, canonized and not, and even non-Christians whose faith and wisdom may illuminate our path. Brought to life in the evocative storytelling of Robert Ellsberg, they inspire the moral imagination and give witness to the myriad ways of holiness. In two stories per day for a full calendar year, Ellsberg sketches figures from biblical times to the present age and from all corners of this world—ordinary figures whose extraordinary lives point to the new age in the world to come. Blessed Among Us is drawn from Ellsberg's acclaimed column of the same name in Give Us This Day, a monthly resource for daily prayer published by Liturgical Press. Its Exterior 206and Interior Practices 228Manner of Practising this Devotion at Communion 237Formula of Consecration to Jesus by Mary 243Excerpt: It was on the 12th of May 1853, that the decree was pronounced at Rome, declaring his writings to be exempt from all error which could be a bar to his canonisation. In this very treatise on the veritable devotion to our Blessed Lady, he has recorded this prophecy. "I clearly foresee that raging brutes will come in fury to tear with their diabolical teeth this little writing, and him whom the Holy Ghost has made use of to write it; or at least to envelop it in the silence of a coffer, in order that it may not appear." Nevertheless, he prophesies both its appearance and its success. All this was fulfilled to the letter. The author died in 1716, and the treatise was found by accident by one of the priests of his congregation at St. Laurent-sur-Sevre, in 1842. The existing superior was able to attest the handwriting as being that of the venerable founder; and the autograph was sent to Rome, to be examined in the process of canonisation.All those who are likely to read this book love God, and lament that they do not love Him more; all desire something for His glory-the spread of some good work, the success of some devotion, the coming of some

good time. One man has been striving for years to overcome a particular fault, and has not succeeded. Another mourns, and almost wonders while he mourns, that so few of his relations and friends have been converted to the faith. One grieves that he has not devotion enough; another that he has a cross to carry, which is a peculiarly impossible cross to him; while a third has domestic troubles and family unhappinesses, which feel almost incompatible with his salvation; and for all these things prayer appears to bring so little remedy. But what is the remedy that is wanted? What is the remedy indicated by God Himself? If we may rely on the disclosures of the Saints, it is an immense increase of devotion to our Blessed Lady; but, remember, nothing short of an immense one.
