KEY=PDF - HOBBS CAMERON

The Heinemann Elementary English Grammar

MacMillan Education, Limited **Available either with or without an answer key (for classroom use or self-study), this grammar book deals with problems encountered by ELT students at elementary level. It draws on everyday situations, real people and the student's own experiences to provide help in understanding the language. Reference and practice sections are graded in difficulty, to make the book suitable for students from beginner to upper-elementary level. Grammar points are introduced in the order in which students will meet them in most coursebooks, and the book has an American English appendix.**
