**FINDING PEACE IN GOD'S PAUSES AND PLANS**

---

*David C Cook* When waiting on God stretches for months or years, we might begin to doubt His promises. Did I hear You correctly, God? Do You see what I'm going through? Why does this have to be so hard? In *Wait and See*, Wendy Pope draws on the life of King David to help us focus on the Person of our faith rather than the object of our wait; prepare for the future by participating in God's work in the present; view God's pauses as opportunities to know Him better; gain confidence in God's plans, even during uncertain times; and step out of the security of the known to find peace in the unknown. How can we take every opportunity to focus on God and His beautiful future? This hands-on guidebook will show you how to transform a difficult season of waiting into a sweet season with God.

### **AN EIGHT-WEEK PLAN FOR FINDING PEACE IN A FRANTIC WORLD**

---

Rodale *MINDFULNESS* reveals a set of simple yet powerful practices that can be incorporated into daily life to help break the cycle of anxiety, stress, unhappiness, and exhaustion. It promotes the kind of happiness and peace that gets into your bones. It seeps into everything you do and helps you meet the worst that life throws at you with new courage. The book is based on Mindfulness-Based Cognitive Therapy (MBCT). MBCT revolves around a straightforward form of mindfulness meditation which takes just a few minutes a day for the full benefits to be revealed. MBCT has been clinically proven to be at least as effective as drugs for depression and is widely recommended by US physicians and the UK's National Institute for Health and Clinical Excellence - in other words, it works. More importantly it also works for people who are not depressed but who are struggling to keep up with the constant demands of the modern world. MBCT was developed by the book's author, Oxford professor Mark Williams, and his colleagues at the Universities of Cambridge and Toronto. By investing just 10 to 20 minutes each day, you can learn the simple mindfulness meditations at the heart of MBCT and fully reap their benefits. The book includes links to audio meditations to help guide you through the process. You'll be surprised by how quickly these techniques will have you enjoying life again.

## **BATTLE CRY**

---

---

### **GOOD VS. DEVIL**

---

*Christian Faith Publishing, Inc. When it comes to God and spirituality, we all have our personal opinions and beliefs. If you believe in God, open your heart and mind, because there's so much more to discover and learn. If you don't believe in God, but would at least agree, there has to be more to life than what meets the eye, why not explore the possibility of God? What do you have to lose? What might you gain? Considering how often we are shocked, disgusted, sickened, and horrified by another mass shooting, the existence of evil can no longer be denied. Even law enforcement, and the media, refers to these horrific acts as "acts of pure evil." Then, when we look at the condition of our personal lives, the lives of those we care about, our family, our communities, our cities, and the nation, we can no longer ignore the evidence of the battle that exists between good and evil. We are in desperate need of a spiritual awakening. Our awareness and acknowledgment of the Spirit is the difference between living a life of spiritual defeat or spiritual victory. Our spirituality, and our dependence on the Spirit, affects our personal health and spiritual development. Based on what you are experiencing in your personal life, are you in need of a spiritual awakening? Then, Battle Cry could be exactly what you need, at precisely the right time. When it comes to God, nothing is by chance, so by virtue of the fact you are in possession of this book, you are one of the countless reasons why it was written.*

## **GOD'S PLAN OF THE AGES VOLUME 5: MESSIAH THROUGH THE END OF TIME**

---

*Redemption Press Many have tried to tell Bible stories as historical fiction. But I have attempted to tell the entire story of the universe, starting with the Bible and integrating history and chronology, legend, and ancient Talmudic tradition, along with a good deal of speculation. My story begins before time, and continues past the ages of time into eternity. It is an adult work, for some of mankind's descent into depravity cannot be sanitized. But it is also a fun work, as I bounce around from our perspective up to the heavenly realms and even down into hell itself. My purpose was not just to tell the story, but also to teach wisdom and to clarify the nature and character of God. I trust each reader will grow in relationship to the God of infinite love, as I have grown in the writing. Volume Five begins with the coming of Messiah to Earth - the Gospel story. It continues through the first few chapters of the book of Acts, and then skips to the book of Revelation - the Great Tribulation, Rapture, and Millennium. I conclude with a wildly speculative story of the ages beyond the Millennial Age, all the way into eternity when all things are reconciled with the eternal Father.*

## **THE EPIC OF GILGAMISH**

---

---

## **DESIDERATA**

---

*Written 75 years ago, Desiderata achieved fame as the anthem of the sixties' hippie-dom - the subject of many millions of posters and handbills - and famously narrated by Les Crane in his 1971 song version of the poem. Over the years Desiderata has provided a kind and gentle philosophy, a refreshing perspective on life's bigger picture. This new presentation of the prose poem will bring it to the attention of a new generation. The origins of Desiderata were, for many years, shrouded in mystery. Once thought to have originated from St. Paul's Church in Baltimore, Maryland in the seventeenth century it was later discovered that American poet Max Ehrmann had written it in 1927. Presented in a refreshingly modern design, Desiderata will appeal to a younger generation looking to find the meaning of life, and to baby-boomers who'll recall Desiderata from their youth.*

#### **WAR: HOW CONFLICT SHAPED US**

---

*Penguin* NATIONAL BESTSELLER SHORTLISTED for the 2021 Lionel Gelber Prize Thoughtful and brilliant insights into the very nature of war--from the ancient Greeks to modern times--from world-renowned historian Margaret MacMillan. War--its

*imprint in our lives and our memories--is all around us, from the metaphors we use to the names on our maps. As books, movies, and television series show, we are drawn to the history and depiction of war. Yet we nevertheless like to think of war as an aberration, as the breakdown of the normal state of peace. This is comforting but wrong. War is woven into the fabric of human civilization. In this sweeping new book, international bestselling author and historian Margaret MacMillan analyzes the tangled history of war and society and our complicated feelings towards it and towards those who fight. It explores the ways in which changes in society have affected the nature of war and how in turn wars have changed the societies that fight them, including the ways in which women have been both participants in and the objects of war. MacMillan's new book contains many revelations, such as war has often been good for science and innovation and in the 20th century it did much for the position of women in many societies. But throughout, it forces the reader to reflect on the ways in which war is so intertwined with society, and the myriad reasons we fight.*

## **DAODEJING**

---

OUP Oxford 'Of ways you may speak, but not the Perennial Way; By names you may name, but not the Perennial Name.' The best-loved of all the classical books of China and the most universally popular, the Daodejing or Classic of the Way and Life-Force is a work that defies definition. It encapsulates the main tenets of Daoism, and upholds a way of being as well as a philosophy and a religion. The dominant image is of the Way, the mysterious path through the whole cosmos modelled on the great Silver River or Milky Way that traverses the heavens. A life-giving stream, the Way gives rise to all things and holds them in her motherly embrace. It enables the individual, and society as a whole, to harmonize the disparate demands of daily life and achieve a more profound level of understanding. This new translation draws on the latest archaeological finds and brings out the word play and poetry of the original. Simple commentary accompanies the text, and the introduction provides further historical and interpretative context. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
