### Daydream Believer

### Unlocking the Ultimate Power of Your Mind

*Gildan Media LLC aka G&D Media* Iconic voice of esoteric spirituality Mitch Horowitz provides today's most impactful work on how and why your mind shapes reality. *Daydream Believer* is Mitch's ultra-statement: this landmark of practical spirituality repairs the gaps in mind-power philosophy and provides a usable, persuasive, and intellectually rigorous vision of why thoughts are causative. In *Daydream Believer*, Mitch upends outmoded spiritual concepts and tells the hard-won truth: you experience psychical lives among infinite realms; your mind is an extraphysical and reality-selecting force; and your metaphysical powers are more freely available than you may realize. *Daydream Believer* explores: The causal power of a wish alone. How to tap the energies of thought during periods of grief, depression, or anxiety. Why prayer and deific petitioning work. How acknowledgement of suffering is a metaphysical force. The outer reaches—and limits—of mind power. What the ablest critics of mind metaphysics get right and wrong. Unimpeachable scientific evidence of the extra-physicality of thought. "My hope," Mitch writes, "is that *Daydream Believer* takes the last 150 years of experimentation in New Thought to its sharpest peak and sets us on a path for the next stage... If you find my claims bold, I trust that you will find my self-disclosures—necessary for any honest reckoning of practical philosophy—equally so." *Paris Match*: "Convincing...takes us far from naive doctrines." Filmmaker

Magazine: "A genius at distilling down esoteric concepts." Duncan Trussell: "Brilliant."

## Word Magic: The Powers and Occult Definitions of Words (Second Edition)

*Esoteric Knowledge Publishing* Is there more to words than meets the eye? Let us tumble down the rabbit hole to explore the world of magic, words, and legalese, and I will show you proof that there is more to words than meets the eye. This magical journey will teach you how words can be used to empower or disempower you. Once you learn how powerful words are and know how to wisely apply them to your life, you can effectively use them to exercise your rights, manifest your desires, overcome your fears, achieve spiritual freedom, and motivate kings and governments to bow to you with awe and reverence. What Is Word Magic? Word magic is "the art of using sacred sounds and symbols, and hidden forces to direct and control energy to produce certain desired effects or marvels." All words have magic properties. However, certain words have more magic properties for the reason that they carry more energy and intention. This is why during magic rituals certain words are used more than others. Because word magic uses sacred sounds and symbols, and hidden forces to direct and control energy, it is one of the most effective tools for achieving desires, programming the mind, or changing reality. Its magic power to reprogram the mind, causing reality to change is one of the reasons that it is heavily used by corporations, such as religious institutions, banks, courts, and governments. Some of the word magic techniques that are used by corporations are shockingly revealed in this enlightening book. The empowering knowledge in *Word Magic: The Powers and Occult Definitions of Words* has the potential to unlock many doors of your mind, allowing you to explore a hidden world where you can use words to shape matter, control your destiny, and reprogram your mind. This enlightening book is not your average book because it explores magic and the power of words to the core of reality. ### History and Power of Mind

*Cosimo, Inc.* A great student of the Science of Mind, Richard Ingalese frequently lectured on New Thought and topics of mental therapeutics. The *History and Power of Mind* is a collection of many of his lectures and articles, first published in 1902, with Ingalese's own annotations and expansions. Difficult subjects to wrangle, from self-control to hypnotism to self-healing, were not a problem for the articulate and charismatic Ingalese, who brings insight and intelligence to esoteric ideas and puts them in a practical and applicable context that demystifies mental and psychic phenomena for the intellectual reader curious about the mind, how it works, and what it can do. American lawyer RICHARD INGALESE (b. 1854) was a self-taught alchemist and proponent of New Thought. He claimed to have confected the true Philosopher's Stone, which confers immortality and turns common metals into gold, and disappeared, along with his wife, a psychic and healer, sometime in the early 20th century. Before their disappearance, Ingalese authored several articles and books, including *Fragments of Truth* (1921), *Astrology and Health* (1927), and *Cosmogony and Evolution* (1907).

### With an Essay on The New Age By William Al-Sharif

*Read Books Ltd* First published in 1886, "Esoteric Christianity and Mental Therapeutics" is a fascinating treatise on the power of the mind to heal and connections to this idea found in Christianity and the Bible. He became a proponent of the movement during 1863 as a result of seeking healing from Phineas P. Quimby, the movement's founder. Contents include: "The Receptive Side of Human Nature, and the True Method of Acquiring Spiritual Knowledge", "Trust as a Saving or Healing Power", "What is the Fundamental Idea of Diseases? And What is it to heal Disease in Ourselves or Others?", "The Unchanging I AM in us, or the Divine and True Idea of Man", "Is Disease a Reality or an Illusion?", etc. Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this volume now in an affordable, modern, high-quality edition complete with an essay by William Al-Sharif.

## The Divine Design

### Spirit Mind Body

*Spirit-Mind-Body* is the awareness of what I call "The Divine Design." We are nothing short of Infinite Potential, spiritual mind power appearing in physical form. This book briefly spells out how to see ourselves rightly in relation to the field of spirit and matter. The discovery of our mind's Infinite Potential and use of it is the key to whatever we want to be, do and have. The creative energies of the universe work through us as channels of expression. We are waves of living energy from spirit to mind to body in a universe of living energy, and, through our imagination, we are designed to live the life we imagine as we co-create our individual worlds together with the First Cause or Intelligence which permeates, penetrates and fills the Interspaces of the Cosmos. Every "thing" has energy as its source and thought as its starting point. Anything that was ever achieved was achieved because someone thought about it, became emotionally involved with it, spoke a certain way about it, and took step by step action toward its realization. This ancient philosophy will help us stretch our mind's with new ideas of increase and abundance and in the understanding that our Mind is too wonderful an energy to waste and a most fortunate energy to use.

Although the journey is challenging, Eckhart Tolle uses simple language and an easy question and answer format to guide us. A word of mouth phenomenon since its first publication, *The Power of Now* is one of those rare books with the power to create an experience in readers, one that can radically change their lives for the better.

Dion Fortune reveals every aspect of these secret organizations and the training they offer to initiates. Revised edition contains a new introduction by Gareth Knight, and an index.
