Avalon

A Novel

HMH A novel of England during the Viking era, from an author who "has vividly and colorfully portrayed life during the tumultuous Dark Ages" (Historical Novels Review). The last quarter of the tenth century was a time of conflict and exploration—while the Anglo-Saxons fought against the Vikings, Norsemen voyaged into the unknown looking for new lands to pillage, and so discovered America. Prince Rumon of France, descendant of Charlemagne and King Alfred, was a searcher. He had visions of the Islands of the Blessed, perhaps King Arthur's Avalon, "where falls not hail, or rain, or any snow." Merewyn grew up in savage Cornwall—a lonely girl, sustained by stubborn courage and belief in her descent from great King Arthur. Chance—or fate—in the form of a shipwreck off the Cornish coast brought Rumon and Merewyn together, and from that hour their lives were intertwined. Bound by his vow to her dying mother, Rumon brings Merewyn safely to England, keeping hidden the shameful secret of her birth. He considers his responsibility ended. At court, he is dazzled by the beautiful Queen Alfrida—but when a murderous truth is revealed, he turns to Merewyn, only to discover that he may have lost her. And he will journey across the Atlantic to find her again . . . From the beloved bestselling author of Katherine and Dragonwyck, this is a romantic tale of history and adventure "characterized by an authentic sense of time" (The New York Times Book Review).

Red Sky Over Hawaii

A Novel

MIRA Inspired by real places and events of WWII, Red Sky Over Hawaii immerses the reader in a time of American history full of suspicion and peril in this lush and poignant tale about the indisputable power of doing the right thing against all odds. The attack on Pearl Harbor changes everything for Lana Hitchcock. Arriving home on the Big Island too late to reconcile with her estranged father, she is left alone to untangle the clues of his legacy, which lead to a secret property tucked away in the remote rain forest of Kilauea volcano. When the government starts taking away her neighbors as suspected sympathizers, Lana shelters two young German girls, a Japanese fisherman and his son. As tensions escalate, they are forced into hiding—only to discover the hideaway house is not what they expected. When a detainment camp is established nearby, Lana struggles to keep the secrets of those in her care. Trust could have dangerous consequences. As their lives weave together, Lana begins to understand the true meaning of family and how the bonds of love carry us through the worst times.

The Chanel Sisters

A Novel

Harlequin A USA Today and Globe and Mail bestseller! A novel of survival, love, loss, triumph—and the sisters who changed fashion forever. Antoinette and Gabrielle “Coco” Chanel know they're destined for something better. Abandoned by their family at a young age, they've grown up under the guidance of nuns preparing them for simple lives as the wives of tradesmen or shopkeepers. At night, their secret stash of romantic novels and magazine cutouts beneath the floorboards are all they have to keep their dreams of the future alive. The walls of the convent can't shield them forever, and when they're finally of age, the Chanel sisters set out together with a fierce determination to prove themselves worthy to a society that has never accepted them. Their journey propels them out of poverty and to the stylish cafés of Moulins, the dazzling performance halls of Vichy—and to a small hat shop on the rue Cambon in Paris, where a boutique business takes hold and expands to the glamorous French resort towns. But the sisters' lives are again thrown into turmoil when World War I breaks out, forcing them to make irrevocable choices, and they'll have to gather the courage to fashion their own places in the world, even if apart from each other. “The Chanel Sisters explores with care the timeless need for belonging, purpose, and love, and the heart's relentless pursuit of these despite daunting odds. Beautifully told to the last page.” —Susan Meissner, bestselling author of *The Last Year of the War*

Love, Theodosia

A Novel of Theodosia Burr and Philip Hamilton

Simon and Schuster A Romeo & Juliet tale for Hamilton! fans. In post-American Revolution New York City, Theodosia Burr, a scholar with the skills of a socialite, is all about charming the right people on behalf of her father—Senator Aaron Burr, who is determined to win the office of president in the pivotal election of 1800. Meanwhile, Philip Hamilton, the rakish son of Alexander Hamilton, is all about being charming on behalf of his libido. When the two first meet, it seems the ongoing feud between their politically opposed fathers may be hereditary. But soon, Theodosia and Philip must choose between love and family, desire and loyalty, and preserving the legacy their flawed fathers fought for or creating their own. *Love, Theodosia* is a smart, funny, swoony take on a fiercely intelligent woman with feminist ideas ahead of her time who has long-deserved center stage. A refreshing spin on the Hamiltonian era and the characters we have grown to know and love. It's also a heartbreaking romance of two star-crossed lovers, an achingly bittersweet “what if.” Despite their fathers' bitter rivalry, Theodosia and Philip are drawn to each other and, in what unrolls like a Jane Austen novel of manners, we find ourselves entangled in the world of Hamilton and Burr once again as these heirs of famous enemies are driven together despite every reason not to be.

Don't Tell the Nazis

Scholastic Inc. Marsha Forchuk Skrypuch (author of *Making Bombs for Hitler*) crafts a story of ultimate compassion and sacrifice based on true events during WWII. The year is 1941. Krystia lives in a small Ukrainian village under the cruel -- sometimes violent -- occupation of the Soviets. So when the Nazis march into town to liberate them, many of Krystia's neighbors welcome the troops with celebrations, hoping for a better life. But conditions don't improve as expected. Krystia's friend Dolik and the other Jewish people in town warn that their new occupiers may only bring darker days. The worst begins to happen when the Nazis blame the Jews for murders they didn't commit. As the Nazis force Jews into a ghetto, Krystia does what she can to help Dolik and his family. But what they really need is a place to hide. Faced with unimaginable tyranny and cruelty, will Krystia risk everything to protect her friends and neighbors?

Improper Pursuits

The Scandalous Life of an Earlier Lady Diana Spencer

St. Martin's Press With these words to Boswell, Samuel Johnson dismissed Lady Di Beauclerk, the wife of one of his closest friends, a woman of the highest rank, the daughter of a duke, who had forsaken her reputation, her place in society, her children, and her role as lady-in-waiting to the Queen for love. Born Lady Diana Spencer in 1735, the eldest child of the third Duke of Marlborough, she was expected rigidly to follow a traditional path through life: educated in the fashion considered suitable for a girl, and married to a man of the appropriate rank for a duke's daughter. But finding herself in a desperately unhappy marriage to Viscount Bolingbroke, Lady Di overturned convention. She left her husband, maintained a secret relationship with her lover, Topham Beauclerk, hid the birth of an illegitimate child, and eventually helped to support herself by painting. Lady Di Beauclerk was a highly gifted artist who was able to use her scandalous reputation as an adulteress, aristocratic woman to further her career as a painter and designer. She painted portraits, illustrated plays and books, provided designs for Wedgwood's innovative pottery, and decorated rooms with murals. Championed by her close friend Horace Walpole, whose letters illuminate all aspects of her life, she was able to establish herself as an admired artist at a time when women struggled to forge careers. Carola Hicks provides an enthralling account of eighteenth-century society, in which Lady Di encountered many of the most eminent artistic, literary, and political figures of the day. Improper Pursuits is an absorbing study of a singular life.

The Prophet's Wife

A Novel of an American Faith

HarperCollins A sweeping, lyrical tale of historical fiction that tells the unbelievable story of the early days of the Mormon church through the eyes of the woman who saw it all—Emma, the first wife of the prophet Joseph Smith. In 1825, in rural Pennsylvania, Emma Hale marries an itinerant treasure-digger, a man who has nothing but a peep-stone in his pocket and a conviction that he can speak directly to God. His name is Joseph Smith and in a few short years, he will found his own religion, gather zealous adherents by the tens of thousands, and fracture Emma's life and faith. While the Mormon religion finds its feet and runs beyond the grasp of its founder, Emma struggles to maintain her place in Joseph's heart—and in the religion that has become her world. The Mormons make themselves outcasts everywhere they go. Joseph can only maintain his authority by issuing ever-stranger commandments on God's behalf, culminating in an edict that men should marry as many women as they please. The Mormons' adoption of polygamy only sets them further apart, and soon their communities are ravaged by violence at the hands of their outraged fellow Americans. For Emma, things take a more personal toll as Joseph brings in a new wife—a woman whom Emma considers a sister. As Emma's family grows along with Joseph's infamy, she knows there will never be peace until Joseph faces the law. But on the half-wild edge of the frontier, he's more likely to find death at the hands of a vigilante posse than a fair trial. For the sake of her people—and her soul—Emma must convince the Prophet of God to surrender... and perhaps to sacrifice his life.

Social Anthropology and Language

Routledge Providing a critical framework for the consideration of the relationship between modern social anthropology and linguistics, this volume covers topics such as classification, symbolism, and structuralism. The relevance of the works of Saussure, Lévi-Strauss and Chomsky is considered. There are two case-studies: the first outlines a 'social history' of the succession of pidgins that are documented on the West African coast, ending with Pidgin English. The second analyzes the status of three language varieties used in a 'trilingual' community in the Carnian Alps. Originally published in 1971.

A Sprat To Catch A Mackerel

Key Principles To Build Your Business

Jonathan Ball Publishers When Raymond Ackerman was fired from his job in 1966, he persuaded a group of friends to loan him the money to buy three small Pick 'n Pay stores, which at the time employed a total of 175 people. On his retirement, 44 years later, he had changed the face of southern African retailing, growing his company to encompass 792 stores in eight countries, employing more than 60 000 people, and generating an annual turnover of around R60 billion. In A Sprat to Catch a Mackerel: Key principles to build your business, Raymond Ackerman shares the basic tenets behind his business philosophy - timeless principles that have guided him through some of South Africa's most turbulent times. Whatever your business background or interest, the practical, accessible advice in this book will help you define and build your vision, and help you reach success and self-actualised growth - not by chasing profit, but by giving expression to a driving passion. Rated by the Financial Times as among the World's Top 100 Most Respected

Businessmen, Raymond Ackerman is also the first South African ever to receive the International Woodrow Wilson Award for Corporate Citizenship. In 2009, his company was voted the World's Best Retailer by the National Retail Federation (NRF). Raymond Ackerman is also the author of the best-selling memoir *Hearing Grasshoppers Jump*, and *The Four Legs of the Table*, in which he recounts how he built Pick 'n Pay into one of the most respected brands in the world today.

Revolutionizing a World

From Small States to Universalism in the Pre-Islamic Near East

UCL Press This book investigates the long-term continuity of large-scale states and empires, and its effect on the Near East's social fabric, including the fundamental changes that occurred to major social institutions. Its geographical coverage spans, from east to west, modern-day Libya and Egypt to Central Asia, and from north to south, Anatolia to southern Arabia, incorporating modern-day Oman and Yemen. Its temporal coverage spans from the late eighth century BCE to the seventh century CE during the rise of Islam and collapse of the Sasanian Empire. The authors argue that the persistence of large states and empires starting in the eighth/seventh centuries BCE, which continued for many centuries, led to new socio-political structures and institutions emerging in the Near East. The primary processes that enabled this emergence were large-scale and long-distance movements, or population migrations. These patterns of social developments are analysed under different aspects: settlement patterns, urban structure, material culture, trade, governance, language spread and religion, all pointing at movement as the main catalyst for social change. This book's argument is framed within a larger theoretical framework termed as 'universalism', a theory that explains many of the social transformations that happened to societies in the Near East, starting from the Neo-Assyrian period and continuing for centuries. Among other influences, the effects of these transformations are today manifested in modern languages, concepts of government, universal religions and monetized and globalized economies.

The Heart's Invisible Furies

A Novel

Hogarth Named Book of the Month Club's Book of the Year, 2017 Selected one of New York Times Readers' Favorite Books of 2017 Winner of the 2018 Goldsboro Books Glass Bell Award From the beloved New York Times bestselling author of *The Boy In the Striped Pajamas*, a sweeping, heartfelt saga about the course of one man's life, beginning and ending in post-war Ireland Cyril Avery is not a real Avery -- or at least, that's what his adoptive parents tell him. And he never will be. But if he isn't a real Avery, then who is he? Born out of wedlock to a teenage girl cast out from her rural Irish community and adopted by a well-to-do if eccentric Dublin couple via the intervention of a hunchbacked Redemptorist nun, Cyril is adrift in the world, anchored only tenuously by his heartfelt friendship with the infinitely more glamorous and dangerous Julian Woodbead. At the mercy of fortune and coincidence, he will spend a lifetime coming to know himself and where he came from - and over his many years, will struggle to discover an identity, a home, a country, and much more. In this, Boyne's most transcendent work to date, we are shown the story of Ireland from the 1940s to today through the eyes of one ordinary man. *The Heart's Invisible Furies* is a novel to make you laugh and cry while reminding us all of the redemptive power of the human spirit.

Radar Girls

MIRA "A fresh, delightful romp of a novel... this gang of irrepressible friends lives up to their name in sparkling fashion."—Kate Quinn, *New York Times* bestselling author of *The Rose Code* An extraordinary story inspired by the real Women's Air Raid Defense, where an unlikely recruit and her sisters-in-arms forge their place in WWII history. Daisy Wilder prefers the company of horses to people, bare feet and salt water to high heels and society parties. Then, in the dizzying aftermath of the attack on Pearl Harbor, Daisy enlists in a top secret program, replacing male soldiers in a war zone for the first time. Under fear of imminent invasion, the WARDees guide pilots into blacked-out airstrips and track unidentified planes across Pacific skies. But not everyone thinks the women are up to the job, and the new recruits must rise above their differences and work side by side despite the resistance and heartache they meet along the way. With America's future on the line, Daisy is determined to prove herself worthy. And with the man she's falling for out on the front lines, she cannot fail. From radar towers on remote mountaintops to flooded bomb shelters, she'll need her new team when the stakes are highest. Because the most important battles are fought—and won—together. This inspiring and uplifting tale of pioneering, unsung heroines vividly transports the reader to wartime Hawaii, where one woman's call to duty leads her to find courage, strength and sisterhood. "A wow of a book...[that is] a captivating story of friendship, heartbreak and true love. Highly recommend!" —Karen Robards, *New York Times* bestselling author of *The Black Swan of Paris*

Constructing Human Rights in the Age of Globalization

Routledge Both human rights and globalization are powerful ideas and processes, capable of transforming the world in profound ways. Notwithstanding their universal claims, however, the processes are constructed, and they draw their power from the specific cultural and political contexts in which they are constructed. Far from bringing about a harmonious cosmopolitan order, they have stimulated conflict and opposition. In the context of globalization, as the idea of human rights has become universal, its meaning has become one more terrain of struggle among groups with their own interests and goals. Part I of this volume looks at political and cultural struggles to control the human rights regime -- that is, the power to construct the universal claims that will prevail in a territory -- with respect to property, the state, the environment, and women. Part II examines the dynamics and counterdynamics of transnational networks in their interactions with local actors in Iran, China, and Hong Kong. Part III looks at the prospects for fruitful human rights dialogue between competing universalisms that by definition are intolerant of contradiction and averse to compromise.

Learning in Virtual Worlds

Research and Applications

Athabasca University Press Three-dimensional (3D) immersive virtual worlds have been touted as being capable of facilitating highly interactive, engaging, multimodal learning experiences. Much of the evidence gathered to support these claims has been anecdotal but the potential that these environments hold to solve traditional problems in online and technology-mediated education—primarily learner isolation and student disengagement—has resulted in considerable investments in virtual world platforms like Second Life, OpenSimulator, and Open Wonderland by both professors and institutions. To justify this ongoing and sustained investment, institutions and proponents of simulated learning environments must assemble a robust body of evidence that illustrates the most effective use of this powerful learning tool. In this authoritative collection, a team of international experts outline the emerging trends and developments in the use of 3D virtual worlds for teaching and learning. They explore aspects of learner interaction with virtual worlds, such as user wayfinding in Second Life, communication modes and perceived presence, and accessibility issues for elderly or disabled learners. They also examine advanced technologies that hold potential for the enhancement of learner immersion and discuss best practices in the design and implementation of virtual world-based learning interventions and tasks. By evaluating and documenting different methods, approaches, and strategies, the contributors to *Learning in Virtual Worlds* offer important information and insight to both scholars and practitioners in the field.

The International Corporate 1000

A Directory of Who Runs The World's 1000 Leading Corporations 1987 Edition

Springer Science & Business Media The International Corporate 1000 represents a joint venture between Monitor Publishing Company of Washington, DC, and Graham & Trotman Limited of London. Monitor Publishing Company is well known as the publisher of *The Federal Yellow Book*, *The Congressional Yellow Book*, and *The Corporate 1000*. Graham & Trotman's annual directories providing data on the major companies in many parts of the world are equally established. The two publishing companies have pooled their expertise

in this joint venture to research, compile and publish The International Corporate 1000, A Directory of Who Runs The World's 1000 Leading Corporations. The directory was designed to help you identify and contact the senior executives who lead and manage these companies. Accordingly, you will find extensive, valuable detail about who does what, and how to reach them, but you will find little financial or statistical data. We have designed the book in this way because we believe there is a great need for an accurate and current executive directory, whereas a wealth of financial data is already available from many different sources. The organization of the directory is by key geographical region, then by major country within each region, and then alphabetically by company within each country.

The Problematics of Moral and Legal Theory

Belknap Press Ambitious legal thinkers have become mesmerized by moral philosophy, believing that great figures in the philosophical tradition hold the keys to understanding and improving law and justice and even to resolving the most contentious issues of constitutional law. They are wrong, contends Richard Posner in this book. Posner characterizes the current preoccupation with moral and constitutional theory as the latest form of legal mystification—an evasion of the real need of American law, which is for a greater understanding of the social, economic, and political facts out of which great legal controversies arise. In pursuit of that understanding, Posner advocates a rebuilding of the law on the pragmatic basis of open-minded and systematic empirical inquiry and the rejection of cant and nostalgia—the true professionalism foreseen by Oliver Wendell Holmes a century ago. A bracing book that pulls no punches and leaves no pieties unpunctured or sacred cows un-kicked, The Problematics of Moral and Legal Theory offers a sweeping tour of the current scene in legal studies—and a hopeful prospect for its future.

The Mysterious Voodoo Queen, Marie Laveaux

A Study of Powerful Female Leadership in Nineteenth Century New Orleans

Routledge This study investigates the emergence of powerful female leadership in New Orleans' Voodoo tradition. It provides a careful examination of the cultural, historical, economic, demographic and socio-political factors that contributed both to the feminization of this religious culture and its strong female leaders.

The Expected One

Simon and Schuster A deadly political rivalry that ended in two brutal executions...An intricate love triangle that altered the course of history...A religious revolution that changed the world... THE TREASURE... For two thousand years, an undiscovered treasure rested in the rocky wilds of the French Pyrenees.
