## Travelling Sprinkler

*Serpent's Tail* Paul Chowder is a poet, but he's fallen out of love with writing poems. He hasn't fallen out of love with his ex-girlfriend Roz, though. In fact he misses her desperately. As he struggles to come to terms with Roz's new relationship with a doctor, Paul turns to his acoustic guitar for comfort and inspiration, and fills his days writing protest songs, going to Quaker meetings, struggling through Planet Fitness workouts, wondering if he could become a techno DJ, and experimenting with becoming a cigar smoker. Written in Baker's beautifully unconventional prose, and scored with musical influences from Debussy to Tracy Chapman to Paul himself, *Travelling Sprinkler* is an enchanting, hilarious, and deeply necessary novel. 'I think the job of the novelist is to write about interesting things, including things that might not seem all that interesting at first glance, and to offer evidence that life is worth living' Nicholson Baker

## Technical Section Proceedings

Annual meeting held after the end of the calendar year covered by the proceedings.

## Agribusiness: Principles of Management

*Cengage Learning* Intended for all segments of agribusiness as well as non-agribusiness organizations, **AGRIBUSINESS:PRINCIPLES OF MANAGEMENT** presents the changing face of agribusiness in a format that is interesting, straightforward, and easy to understand. This comprehensive book approaches agribusiness as a technology-oriented industry composed of organizations ranging in size from small, family-owned farms or businesses to some of the largest corporations in the world. With multiple opportunities for self-review as well as vignettes, cases, and examples in each chapter, this book shows readers the real-world application of what they are learning and provides them with a solid understanding of what management is all about.
