The novella follows Jackson Hunter on the run from the law. Jackson, enamored with the legends of the Old West, fancies himself to be a modern incarnation of the outlaw gunslinger. He breaks away down Highway 90 in the saddle of a Harley, searching for the freedom of the early days. But in this hallowed world of outlaws and gunslingers, Jackson soon finds that the myths we have created in our history and the lives we have believed ourselves to lead must often contend with reality. **WALNECK'S CLASSIC CYCLE TRADER, MARCH 1996 Causey Enterprises, LLC WALNECK'S CLASSIC CYCLE TRADER, NOVEMBER 1997 Causey Enterprises, LLC** Applied Mathematics for the Managerial, Life, and Social Sciences Cengage Learning A traditional book with a modern feel, market-leading APPLIED MATHEMATICS FOR THE MANAGERIAL, LIFE, AND SOCIAL SCIENCES, Sixth Edition, teaches by application and uses real-world examples to motivate students. BSA 500 & 650 Twins The Essential Buyer's Guide Veloce Publishing Ltd Sometimes living under the shadow of the flashier, high-profile Triumph Twins, the equivalent BSAs were just as numerous and were exported all over the world. BSA was often seen as a less glamorous marque than Triumph or Norton, associated more with commuting and sidecars than coffee bar cowboys, but that doesn't detract from the collectibility of its models today, as the bikes have become highly usable, enjoyable classics. Unlike the many marque histories available, this book is a practical guide to buying one of these bikes. It covers the complete range, from the

very first 1946 500cc A7 to the final 1973 650cc A65s. Chapters include what to look for (10min and 30min evaluations); spares prices; guides to auctions and paperwork; lists of useful contacts in the BSA community; and just as important, consideration of whether it's the right bike for you. One hundred colour photos, useful appendices and expert advice mean this book could save you thousands. Polk-Husted Directory Co.'s San Jose City and Santa Clara County Directory Environmental Management Accounting — Purpose and Progress Springer Science & Business Media This is the second book of selected papers on environmental management accounting (EMA) which has been developed for Kluwer by the Environmental Management Accounting Network - Europe (EMAN-Eu), drawn primarily from papers presented at EMAN-Eu, to bring together several examples of leading thinking and practice internationally in this rapidly developing area. The authors include academics, practitioners from industry, and government policy-makers, and the subjects covered range from individual company experiences to the role of government in promoting EMA in industry. The papers included in the book provide several examples of how EMA can be applied in practice both in large corporations and in small and medium-sized enterprises, and of reports on the extent of the implementation of EMA and the conditions which encourage this. The book is intended for all those interested in EMA as either researchers or practitioners. It will also be of interest both to those interested in how well-established management accounting methods can be adapted and extended in order to meet new demands on companies, and also to environmental managers interested in learning how accounting techniques can be of value in achieving environmental management objectives. Cosmopolitan Harley-Davidson XL/XLH Sportster 1986-2003 Haynes Manuals N. America, Incorporated XLH883, XL883R, XLH1100, XL/XLH1200 Atlas of Lenawee County, Michigan Cricket and Society in South Africa, 1910-1971 From Union to Isolation Springer This book explores how cricket in South Africa was shaped by society and society by cricket. It demonstrates the centrality of cricket in the evolving relationship between culture, sport and politics starting with South Africa as the beating heart of the imperial project and ending with the country as an international pariah. The contributors explore the tensions between fragmentation and unity, on and off the pitch, in the context of the racist ideology of empire, its 'arrested development' and the reliance of South Africa on a racially based exploitative labour system. This edited collection uncovers the hidden history of cricket, society, and empire in defining a multiplicity of South African identities, and recognises the achievements of forgotten players and their impact.
