## From Surviving to Thriving

## Mastering the Art of the Elementary Classroom

**Lorenz Educational Press** *This invaluable resource has been created to help beginning teachers move toward becoming ?master? teachers by providing the framework for tasks and dispositions that are part of a thriving elementary classroom community. Although not a theory book, From Striving to Thriving provides explanations and rationales in a context for the activities, strategies and tools it suggests. Chapter contents include subject areas such as communication (with parents as well as school relationships); finding resources to enrich the learning experience; organization; building community in the classroom; and attending the diverse needs of learners. A zipped file is also included that contains lists, letters, student and family activities, recommended literature, lesson plans and PowerPoint presentations.*
