Unleash Your Power: Women Have Settled Long Enough. Own Your Past, It's Your Story. Be Empowered Now. 3 Steps to Create Your Life Accordin Have you ever found yourself just going through the motions of life, wishing there were more? Are you spending your time at work as an inauthentic version of yourself, just to get the job done in peace or to bring home a paycheck? When you speak, do you feel your voice isn't being heard? Do you feel bound by obligation and duty, only to come home at night, overwhelmed and exhausted from the day? In her work as a coach and a facilitator, Kirsten Blakemore has challenged women to reclaim their lives through self-awareness and choice. Women who have felt shut down learn how to wake up their inner strength and creativity so that they can shake up their life and create the outcomes they have always wanted but never dared to dream they could have. In her book, [insert title], Kirsten outlines a three-step process to empower women to make a greater impact within the workspace. You will learn how to arm yourself to achieve your goals, to lead with authenticity, and to master self-awareness through these three simple steps. Women who embody resilience, compassion, and strength will learn how to tap into and embrace their inner wisdom to live their values. Kirsten continues to coach women who are ready to take the next step in their careers to create balance in an overwhelming world, to find their voice when feeling stuck, and to courageously own their worth.**

A platform shift took place in 2011—for the first time, sales of smartphones and tablets eclipsed desktop and notebook sales. For the first time since the launch of cell phones, people are spending more time on mobile devices—and using mobile apps—than the desktop platform browsers. People are on the go, and they need technology that keeps up with them. I decided to write this book because I have encountered many businesspeople who lack the knowledge and confidence to join the mobile app revolution. In these pages, you'll find a wealth of information and step-by-step guidance to move you toward the essential launch of your business's mobile app. I've also extended the value you will receive here by providing four additional bonuses on my website, www.thebookonmobileapps.com. "The Book on Mobile Apps lives up to its name. It truly is the ultimate guide for small businesses. Cheryl Paulsen delivers creative thinking, proven strategies, and vast knowledge about the value of mobile apps for small businesses. Her book is timely, informative, and a must-read for any entrepreneur today." —Raymond Aaron, author of *Double Your Income Doing What You Love Virtual Reality Beginner's Guide + Google Cardboard Inspired VR Viewer* *Regan Arts*. These secrets have been kept very highly classified from even all the military personnel their and all the US Presidents during this time period. Until finally the secrets have matured to a level of finely machined tools, to be turned lose on this planet, with an assortment of amazing weapons beyond today's reality. Wilds and Celia grow up almost as normal as others. Suddenly one day as they turn into young adults they find themselves very different from others. They had to learn very young and very fast to master the art of hiding who they have become. Are they thrill seekers, suicidal or just plain born on this planet as a half breed alien race? You will have to decide as the proof is in the RAGE! You could say they were planned out many years before conception, to be what they are today. Completely extraordinary, unite and superior, while being unmatched by any other in the world. Are they thrill seekers, suicidal or just plain bizarre? You will have to decide as Wilds Rage takes human life on this planet to another level. The human population of this planet is in turmoil today and we need to set it's people back on the right path. How do we do it in our lifetime? There is but one way. It's not sugar coated, it's not inhumane either, but its somewhere in-between. It's in that gray area between a rock and a hard place that most people close their mind and eyes too. Where does this book take you? It takes you to Florida, Italy, International Space Station, Russia, Phoenix Islands, Cambodia and Afghanistan. There's also a new revolutionary technical break threw in energy. Putting oil as we know it on the back burner. Even under strict military orders their missions are totally insane, but something or somebody has to do the impossible, to get this planet humanity back to normal. Its been to long and now it's way out of control. What is normal? Maybe normal is not the norm anymore! You decide as you follow a CIA's family adventures in space and around the world and back. **Applications of Security, Mobile, Analytic, and Cloud (SMAC) Technologies for Effective Information Processing and Management** *IGI Global* From cloud computing to big data to mobile technologies, there is a vast supply of information being mined and collected.
