SPANISH GRAMMAR IN REVIEW

McGraw-Hill Developed for advanced beginners and intermediate learners, this revised edition of Spanish Grammar in Review is more than just a grammar book; it uses grammar and communication exercises to help students express themselves in Spanish with confidence. Easy to use and comprehensive in its approach, for both self-learners and classroom students, the book presents specific learning goals that focus students' attention on effective ways to master language structures. Using a workbook approach, Spanish Grammar in Review reinforces key concepts through exercises and activities that stress practical communication in Spanish.

A STUDENT GRAMMAR OF SPANISH

Cambridge University Press A Student Grammar of Spanish, first published in 2006, is a concise introduction to Spanish grammar, designed for English-speaking undergraduates. Assuming no prior knowledge of grammatical terminology, it explains each aspect of Spanish grammar in clear and simple terms, provides a wealth of glossed examples to illustrate them, and helps students to put their learning into practice through a range of fun and engaging exercises. Clearly organized into thirty units, each covering a different aspect of the grammar, the book functions both as an essential reference guide and a comprehensive workbook. Individual topics can be looked up via a user-friendly cross-referencing system, and concise definitions are provided in a useful glossary of grammatical terms. The exercises, which include paired and group activities, are suitable for both classroom use and self-study. Each unit is split into two levels, basic and intermediate, making this grammar the perfect accompaniment to any first or second year undergraduate course.

STUDENTS' BASIC GRAMMAR OF SPANISH

SPANISH: AN ESSENTIAL GRAMMAR

Jack Lee Spanish: An Essential Grammar is a concise and user-friendly reference guide to the most important aspects of Spanish. It presents a fresh and accessible description of the language that combines traditional and function-based grammar. The book sets out the complexities of Spanish in short, readable sections, and explanations are clear and free from jargon. The Grammar is the ideal reference source for the learner and user of Spanish. It is suitable for either independent study or for students in schools, colleges, universities and adult classes of all types. Features include: * clear distinctions between the essential and basic aspects of Spanish grammar and those that are more complex * full use of authentic examples * easy to understand explanations of areas that customarily pose problems for English speakers * detailed contents list and index for easy access to information.

EASY LEARNING SPANISH GRAMMAR (COLLINS EASY LEARNING SPANISH)

HarperCollins UK Collins Easy Learning Spanish Grammar offers beginners a clear and easy-to-understand guide to the verbs and grammar of Spanish.

SIDE-BY-SIDE SPANISH AND ENGLISH GRAMMAR

McGraw-Hill A comparative and simple approach to learning the grammar of a new language The Side-by-Side Grammar books present explanations of the essential elements of Spanish or French grammar alongside their English-language equivalents. This method allows students to build on what they already know; not only do readers learn grammar for a new language but also enjoy the added benefit of strengthening their grammar skills in their native tongue! Each lesson clearly explains functions and uses of the different parts of speech and includes abundant examples for each entry. Because the vocabulary is limited to frequently used words, students can concentrate more on a sentence's structure instead of becoming tangled in its meaning. A "Quick Check" section summarizes main ideas in each section and helps readers retain the most important information. New to these editions are exercise sections to further reinforce students' comprehension.

BASIC SPANISH

A GRAMMAR AND WORKBOOK

Routledge Presenting twenty individual grammar points in lively and realistic contexts, Basic Spanish is an accessible reference grammar with related exercises in one, easy to follow volume. Beginning with the simpler aspects of Spanish and progressing on to more complex areas, each chapter contains grammar points that are followed by examples and exercises selected to reinforce the topic. A first-class introduction to the language, features of this practical book include: * authentic reading texts to encourage an understanding of Spain and Spanish-speaking countries * reference to Latin American usage where appropriate * abundant exercises with full answer key * glossary of grammatical terms. Clearly presented and user-friendly, Basic Spanish provides readers with the basic tools to express themselves in a wide variety of situations, making it an ideal reference and practice resource for both beginners and students with some knowledge of the language.

SPANISH GRAMMAR MADE EASY

Routledge Spanish Grammar Made Easy is the ideal introduction to the basics of Spanish grammar for anyone new to the language or looking to refresh their knowledge. This second edition features: concise and jargon-free explanations supported by examples exercises throughout to reinforce learning a 'fast-track' option for more advanced learners a full answer key, making the Grammar ideal for self-study. A companion website is available at <http://cw.routledge.com/textbooks/9781138955820>. With over 200 additional exercises and audio, it provides ample grammar practice for learners as well as the opportunity to practise listening and pronunciation skills. Spanish Grammar Made Easy presents the essential patterns and rules of the Spanish language in a clear and accessible manner. It is the ideal Grammar for those wishing to supplement their learning and move beyond the phrasebook level.

Evolution Publishing Limited 55% OFF for BookStores! Discounted Retail Price NOW! Do you want to learn Spanish? Learning a new language is actually easier than you may think! This book is divided into four major parts: - basic grammar - basic vocabulary for travelers - basic conversational Spanish Dialogues with particular attention to the pronunciation - Spanish Short and easy Stories The first part contains a concise grammar of Spanish organized in the familiar traditional way, describing the forms of Spanish in turn. This section should be used for quick reference when you want to know something about a form or structure you can identify The second part contains the vocabulary terms for travelers or tourists. The vocabulary terms are written taking in consideration, the needs of people whose first language is not Spanish. It is organized according to the kinds of words you might want to say in particular situations in Spanish, and here you can look up such things as how to apologize, how to ask the time, how to describe a person, etc. The third part is based upon basic Spanish dialogues and sentences which are used in daily routine. It also helps to learn how to pronounce specific terms and words of the Spanish language. The fourth part consists of short stories. This part is useful when a person is at least good in Spanish grammar and able to understand the combination of words. These short stories are really helpful to give speed flow in Spanish Language. We have not hesitated to use traditional grammatical terms, especially in the first part. It is worth spending a little time getting to grips with these: understanding the terms will help you understand the structures better, even if they may appear a bit daunting at first. We have described terms with which you are likely to be unfamiliar in the Glossary. We hope that readers will find our approach interesting and useful: we will be delighted to receive opinions on the book and details about the ways in which it has been used in teaching and learning Spanish.
