Strictly Me

My Life Under the Spotlight

Random House Mark Ramprakash is arguably the greatest English batsman of his generation, but he is also an enigma. He is among an elite group of players who have scored 100 first-class centuries, yet has never flourished as he should have done at Test level. To many people in the UK, he is just as well known for his exploits on the dance floor: he won Strictly Come Dancing in 2006 and went on to win the Champion of Champions final in 2008 for Sport Relief. In Strictly Me, Ramprakash covers in detail all aspects of his cricket career - from the hot-headed cricketing prodigy who made his Test debut for England at the age of 21 to finally being cast aside by his country in 2002. He discusses how he has become one of the UK's best celebrity dancers and how his newfound status as a media celebrity has flourished since then.

Just Lucky I Guess

The Mediocre Life of Jordan Gaites

AuthorHouse Inspired by the recent popular interest in our country's historical legends and folklore, The Mediocre Life of Jordan Gaites is a fast paced story about a private detective with CIA background investigating the suspicious death of a close friend. His investigation will lead to a historic legend that has the potential to change the world as we know it today. This blend of U.S. history and folklore that borders on science fiction will captivate the reader from beginning to end.

The Art of Centuries

Random House A groundbreaking exploration of the history of cricket's ultimate achievement and of the mental and physical qualities shown by the greatest players in the game. A century has always had a special resonance, in all walks of life, and none more so than in cricket. Scoring one hundred runs is the ultimate for a batsman. As former England captain Andrew Strauss admits, it's incredibly hard to do; for Ricky Ponting, it's a transformational moment in the career of a cricketer. Or in the words of Geoffrey Boycott, 'a century has its own magic'. In "The Art of Centuries," Steve James applies his award-winning forensic insight to the very heart of batting. Through interviews with the leading run-scorers in cricket history and his own experiences, Steve discovers what mental and physical efforts are required to reach those magical three figures. Despite his own haul of 47 first-class tons, he himself felt at times that he was poorly equipped for the task. So working out how to score centuries is an art. And bowlers might not agree, but there really is no better feeling in cricket."

Strictly Christmas Spirit

Choc Lit A heart-warming Christmas romance. Perfect for the dancing fans! From disco balls to Christmas baubles ... Ex-dancer Emily Williams turned her back on the sparkle of popular dancing show Strictly Dancing with Celebs to help those in need. Now the only dancing she does is teaching lonely pensioners to waltz, and the closest she gets to disco balls is making baubles with the homeless people in her Christmas crafts class. She's certainly not star-struck when Hollywood heart-throb Blake Harris is sent to her at short notice for community service, and has no desire to babysit the arrogant actor with his bad boy antics and selfish ways. Christmas might be a time for miracles, but Blake seems to be a lost cause. But Emily's reasons for abandoning her dancing passion means she understands the Hollywood wild child more than she'd like to admit. Could their time together, coupled with a dash of Christmas spirit, lead to a miracle change of heart for them both? Book 3 in Helen's Spotlight series but they can all be read as standalone stories.

Hell's Around the Corner

Salomé Veder "Love, is a fiery thing. And when two souls collide that shouldn't, it burns..." Sebastian St. Claire is nothing but the consummate professional. His job is to protect the daughter of a VIP client but instead, he finds himself intrigued by her fiery personality and innocent beauty. Marisa Rothman is studying for her master's degree at a small, private college in Illinois. As the daughter of a FBI agent whose life has been threatened, for her safety, she has been put under the protection of Sevren Securities--and under the eagle eye of Sebastian. He is an enigma, a man colder than ice; and yet, smolders from within. Marisa senses something deeper in Sebastian that she can't ignore, and it draws her toward him, like a moth to the forbidden flame. However, the circumstances of the situation puts Sebastian in a precarious position, for his deepening attraction to Marisa threatens to dismantle the carefully constructed walls he's built in his heart, and possibly violate the oath of his duties to protect her with his body. And nothing more. But pure existence is never black and white, and when two souls find each other, and ignite, there is no turning back. No matter if the danger that still lingers threatens to return, and with devastating consequences.

Making a Difference in Patients' Lives

Emotional Experience in the Therapeutic Setting

Taylor & Francis Winner of the 2009 Gradiva Award for Outstanding Psychoanalytic Publication! Within the title of her book, Making a Difference in Patients' Lives, Sandra Buechler echoes the hope of all clinicians. But, she counters, experience soon convinces most of us that insight, on its own, is often not powerful enough to have a significant impact on how a life is actually lived. Many clinicians and therapists have turned toward emotional experience, within and outside the treatment setting, as a resource. How can the immense power of lived emotional experience be harnessed in the service of helping patients live richer, more satisfying lives? Most patients come into treatment because they are too anxious, or depressed, or don't seem to feel alive enough. Something is wrong with what they feel, or don't feel. Given that the emotions operate as a system, with the intensity of each affecting the level of all the others, it makes sense that it would be an emotional experience that would have enough power to change what we feel. But, ironically, the wider culture, and even psychoanalysts, seem to favor "solutions" that aim to mute emotionality, rather than relying on one emotion to modify another. We turn to pharmaceutical, cognitive, or behavioral change to make a difference in how life feels. Because we are afraid of emotional intensity, we cut off our most powerful source of regulation. In clear, jargon-free prose that utilizes both clinical vignettes and excerpts from poetry, art, and literature, Buechler explores how the power to feel can become the power to change. Through an active empathic engagement with the patient and an awareness of the healing potential inherent in each of our fundamental emotions, the clinician can make a substantial difference in the patient's capacity to embrace life.

Into the Spotlight

Penguin UK Inspired by the much-loved classic Ballet Shoes by Noel Streatfeild, Into the Spotlight is a magical new story from bestselling author and acclaimed performer Carrie Hope Fletcher. Brilliant Aunt Maude visits seashores the world over and has become quite the pebble collector. Pebbles of all shapes, sizes and colours and even one that looked a bit like Elvis Presley if you squinted a bit. Her favourite pebbles, however, are Marigold, Mabel and Morris. One by one, and by strange and unusual ways, each child arrives at the stage door of Brilliant Aunt Maude's theatre in the heart of London, home to an extraordinary cast of performers. There's Dante the miraculous magician, Petunia the storyteller and seventy-year-old contortionists - the Fortune Sisters! But ticket sales are dwindling and the curtains might have to close - for the final time. Until one day, as the Pebbles are exploring the many nooks and crannies of the theatre, they stumble upon something they were never meant to find . . . something that just might save the theatre after all . . .

Graham Thorpe: Rising from the Ashes

From Dawn to Dusk to Daylight

A Journey Through Depression'S Solitude

iUniverse Bruce Ross knew something was wrong. He felt displaced and isolated from friends, family, and society. He had no one to turn to, and so he tried to cope with it himself. The fact that he had a disease called depression never entered his mind. He, like so many people, thought that only other people suffered from depression, not someone who appeared to be a well-adjusted, middle class person. From Dawn to Dusk to Daylight chronicles Ross's journey and struggles with depression, from his high school years until middle age. During this time, his promising start in life transformed into a dusk, in which Ross lived twenty-four hours of each day in a gloomy and unsettled existence. With eloquence and charm, he recaptures the joys of his childhood in Dartmouth, growing up with his buddies. Gradually, those times faded, and he found himself in the middle of his teenage years and the beginnings of his depression. Ross lived with the pain of depression and its twin sister, Generalized Anxiety Disorder (GAD), for more than thirty-five years before achieving a breakthrough thanks to the experimental procedure known as Deep Brain Stimulation (DBS). This exciting advancement in medical science shows great promise for depression sufferers in North America and around the world. From Dawn to Dusk to Daylight is the candid and revealing story of the trials and tribulations of living with depression and the relief DBS finally brought.

Tainted

iUniverse "I am the last of a dying breed. I have the capacity to dramatically alter your life; I also have the ability to take your life at my leisure. At the minimum, I have the power to do so." Sebastian Alzmek has it all influence, power, beauty, and AIDS. When he emotionally died a decade ago, he buried an insecure, unattractive individual and erased his past. Now he lives a second life based on society's perception, using his silence to mark his victims and make them part of his secret society of the undead. Sebastian is on a one-man campaign to remind the world that AIDS is still alive. No one can stop him from his hunt-not the law, the CDC or even the victims themselves. His charisma not only intoxicates them, but also fools them into believing he is "normal." His past soon catches up with him, and he is reminded that life itself is beautiful, even though it is too late. At the end of the journey, Sebastian asks the ultimate question: was it worth the fight, or will history repeat itself?

Retreating Forward

A Spiritual Practice with Transgender Persons

Wipf and Stock Publishers Transgender people are among the most marginalized and vulnerable populations in the world. Misinformation, lack of education, and lack of experience among cis-gendered persons often result in forms of violence and abuse directed towards those perceived as transgender or gender non-conforming. Such violence and abuse are not restricted to secular culture but expand into faith communities and essential forms of spiritual care and support. When transgender people of faith share the reality of their gender identity they often experience rejection by the very

communities that should provide support, encouragement, and practical ministries of hospitality. *Retreating Forward: A Spiritual Practice with Transgender Persons* is an educational and practical resource for individuals, spiritual leaders, and faith communities seeking to provide practical and spiritual sustenance. The retreat model included in this text proved transformational for those involved.

The London Trilogy

Riding House Street, Nine Elms Lane & Kings Scholar's Passage to Vauxhall Bridge Road

Troubador Publishing Ltd This is a trilogy about three young men finding the fulfillment of their youthful ambitions, from the late 1980s onwards, in rock music and journalism, up to the present day and middle age. As middle age comes on, each must accept a wider responsibility for their past sins. Having either emigrated to or been born in London, all of them become caught up in tantalising opportunities in the capital to fulfill their ambitions of success and fame. Each of them also finds that success comes with an immense price for them personally, and private failures that unmercifully torment them. Their hopeful idealism and dreams become tainted by ruthlessness, opportunism and betrayal of their principles. As each character grows older, he realises he wants to redeem himself and somehow resolve the worst things he has perpetrated in his life – but true redemption requires genuine sacrifice; one even more intense and difficult than their hard-won successes of the past. It may be more than any of them can endure. All of this happens against the background of London's fantastic, fabulous variety and wealth and exoticism, opportunity and glamour, corruption and poverty and loneliness and harshness. Its pitfalls, rewards and insatiable demands as a fast-moving cultural and media capital are a significant part of the novel's tone, with an intensified sense of time and place. Edward St. Boniface takes inspiration from a wide range of authors, including Ray Bradbury, Mark Z. Danielewski and David Foster Wallace. *The London Trilogy* is a work of adult contemporary fiction that will appeal to fans of highbrow and literary novels, bildungsromans and satire.
