Its roughly what you craving currently. This Tradition The From Themes Spirituality Christian, as one of the most working sellers here will completely be in the middle of the best options to review.

KEY=SPIRITUALITY - GIANNA MAYO

Christian Spirituality

Themes from the Tradition

Paulist Press "Christian Spirituality is a concise and accessible overview of the ways Christians over the centuries have approached God in prayer and practice. In ten chapters, Lawrence Cunningham and Keith Egan explain the dynamics of spiritual life, each chapter exploring a single theme such as scripture, journeying, meditation & contemplation, asceticism, mysticism, solitude & community, friendship, eucharist. The themes are not mutually exclusive since believers frequently embrace several or all of these "ways" at once. But in different times and places people have tended to focus on one or another, so that they have become discernible paths to the Holy." "The authors explore each theme in depth, tracing its evolution over the centuries. Within this historical framework, the book provides the reader with a "taste" of the different ways Christians have sought or lived in the presence of God. Each chapter concludes with a list of selected works for further reading and with exercises intended to provide a personal experience of the "way."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. The Spiritual Language of Art

Medieval Christian Themes in Writings on Art of the Italian Renaissance

BRILL Analyzing the literature on art from the Italian Renaissance, *The Spiritual Language of Art* explores the complex relationship between visual art and spirituality by revealing that terms, concepts and metaphors derived from spiritual literature were consistently used to discuss art.

Rethinking Fundamental Theology

OUP Oxford This book identifies the distinguishing features of fundamental theology, as distinct from philosophical theology, natural theology, apologetics, and other similar disciplines. Addressing the potential for confusion about basic Christian claims and beliefs, Gerald O'Collins sets out to relaunch fundamental theology as a discipline by presenting a coherent vision of basic theological questions and positions that lay the ground for work in specific areas of systematic theology. *Rethinking Fundamental Theology* examines central theological questions: about God, human experience and, specifically, religious experience; the divine revelation coming through the history of Israel and through the life, death and resurrection of Jesus; human faith that responds to revelation; the nature of tradition that transmits the record and reality of revelation; the structure of biblical inspiration and truth, as well as basic issues concerned with the formation of the canon; the founding of the Church with some leadership structures; the relationship between Christ's revelation and the faith of those who follow other religions. O'Collins concludes with some reflections on theological method. Written with the scholarship and accessibility for which O'Collins is known and valued, this book will relaunch fundamental theology as a distinct and necessary discipline in faculties and departments of theology and religious studies around the world.

The SCM Dictionary of Christian Spirituality

Hymns Ancient and Modern Ltd This dictionary attempts to give direct access to the development of Christian Spirituality. It is a series of pieces written by experts to provide instant, accurate and thought-provoking information of high scholarship.

Ex Auditu - Volume 18

An International Journal for the Theological Interpretation of Scripture

Wipf and Stock Publishers *Ex Auditu* began as the journal incorporating the papers of the Fredrick Neumann Symposium of Princeton Theological Seminary. After the first four volumes the journal began publishing the papers from the North Park Symposium on the Theological Interpretation of Scripture. The intent from the first has been to provide a forum for doing interdisciplinary theology from a biblical perspective for the benefit of the Church. Each annual publication focuses on a topic crucial to the life of today's Church. Additionally, each issue contains an annotated bibliography and a sermon, which makes it a practical guide for pastors. Includes a detailed guide to resources in spirituality available on the Internet Written by a leading theological educationalist in a clear and accessible manner Encourages active engagement with primary sources through worked case studies

Christian Spirituality and Ethical Life

Calvin's View on the Spirit in Ecumenical Context

Wipf and Stock Publishers Christian Spirituality and Ethical Life offers a helpful study of the place of the Spirit in John Calvin's theology. It also discovers a notion of the spiritual life in connection with ethical life. It thus overcomes the prevailing popular pictures about the theology of John Calvin in several significant ways, providing a refreshing alternative to the anemic spirituality so prevalent today. It can be stated confidently that Calvin was a theologian of the Holy Spirit in solidarity with the poor, standing in openness to others.

English Spirituality

From Earliest Times to 1700

Westminster John Knox Press This wide-ranging historical survey provides an indispensable resource for those interested in exploring, teaching, or studying English spirituality. In two stand-alone volumes, it traces history from Roman times until the year 2000. The main Christian traditions and a vast range of writers and spiritual themes, from Anglo-Saxon poems to late-modern feminist spirituality, are included. These volumes present the astonishing richness and variety of responses made by English Christians to the call of the divine during the past two thousand years.

The Path to Your Door

Approaches to Christian Spirituality

Bloomsbury Publishing Written in response to a need expressed by Spiritual Directors, Retreat Leaders and teachers on introductory courses to Christian spirituality for an engaging and readable introduction to the subject, The Path to Your Door provides an accessible and well-researched introduction to themes within the Christian spiritual tradition. In a highly readable fashion it introduces the reader to some of the key themes in classic and contemporary Christian experience and allows them to engage with the material for themselves through the use of varied spiritual exercises. The Path to Your Door is an invitation to an on-going journey of spiritual exploration, grounded in the Christian tradition but encouraging each reader to find their own path and discover their own unique language of prayer.

Rituals in Early Christianity

New Perspectives on Tradition and Transformation

BRILL Informed by the paradigmatic shift in ritual and liturgical studies, this volume offers analyses of key ritual traditions in early Christianity. The case studies focus on the dynamic formation and transformation of rituals in the context of Greco-Roman religion, Judaism, and Islam.

The Encyclopedias of Christianity, Vol. 5

God's Presence Through the Ages

Orbis Books

African Traditions in the Study of Religion in Africa

Emerging Trends, Indigenous Spirituality and the Interface with other World Religions

Routledge The historiography of African religions and religions in Africa presents a remarkable shift from the study of 'Africa as Object' to 'Africa as Subject', thus translating the subject from obscurity into the global community of the academic study of religion. This book presents a unique multidisciplinary exploration of African traditions in the study of religion in Africa and the new African diaspora. The book is structured under three main sections - Emerging trends in the teaching of African Religions; Indigenous Thought and Spirituality; and Christianity, Hinduism and Islam. Contributors drawn from diverse African and global contexts situate current scholarly traditions of the study of African religions within the purview of academic encounter and exchanges with non-African scholars and non-African contexts. African scholars enrich the study of religions from their respective academic and methodological orientations. Jacob Kehinde Olupona stands out as a pioneer in the socio-scientific interpretation of African indigenous religion and religions in Africa. This book is to his honour and marks his immense contribution to an emerging field of study and research.

Early and Medieval Christian Spirituality

University Press of America Baron von Hugel analyzed Christianity into three dimensions: the institutional, the theological, and the mystical. Clearly the most neglected of the three by mass media is the mystical. Robert Imperato's Early and Medieval Christian Spirituality intends to introduce the Christian reader to this rich vein of Christian thought on spiritual experience. This is not Christianity for those seeking to answer the political problems of the day. It is rather a sampling of the mystical wealth of Christian history. This work contains summaries of key authors as well as an anthology of their thought.

Standing in God's Holy Fire

The Byzantine Tradition

Traditions of Christian Spirit Details the Byzantine Tradition--Christian culture that arose in the eastern part of the Roman Empire and fed the rise of Orthodoxy in the Greek and Slavic worlds--and highlights the tradition's science of prayer and emphasis on the quest for holiness. Original.

Major Themes in the Reformed Tradition

Eerdmans Publishing Company This one-of-a-kind resource offers 37 essays outlining and exemplifying Reformed views on the major Christian doctrines and practices. Includes contributions by noted authors as Hendrikus Berkhof, G.C. Berkouwer, Alvin Plantinga, Nicholas Wolterstorff, Lewis Smedes, Donald Bloesch, Allan Boesak, and Geoffrey W. Bromiley.

Light Through Darkness

The Orthodox Tradition

Darton, Longman & Todd Limited Orthodoxy is often identified with beautiful icons, elaborate liturgy, perfection as deification, and the vision of God as light. But there is a deeper side in which martyrdom is embraced. The spirituality of the Christian East is often identified with beautiful icons, elaborate liturgy, a way of perfection as deification, and the vision of God as light. But martyrdom is part and parcel of the Orthodox way, and its spirituality is profoundly marked by the reality of pain and division. This fascinating study finds a deeper insight at the heart of the Orthodox tradition: the idea of brokenness and darkness as the only way to healing and light, the idea of imperfection as the only way to salvation.

Pentecostalism as a Christian Mystical Tradition

Wm. B. Eerdmans Publishing Informed reassessment of Pentecostalism as a mystical tradition of the church universal Pentecostalism, says Daniel Castelo, is commonly framed as "evangelicalism with tongues" or dismissed as simply a revivalist movement. In this book Castelo argues that Pentecostalism is actually best understood as a Christian mystical tradition. Taking a theological approach to Pentecostalism, Castelo looks particularly at the movement's methodology and epistemology as he carefully distinguishes it from American evangelicalism. Castelo displays the continuity between Pentecostalism and ancient church tradition, creating a unified narrative of Pentecostalism and the mystical tradition of Christianity throughout history and today. Finally, he uses a test case to press the question of what the interactions between mystical theology and dogmatics could look like.

As Pilgrims Progress - Learning how Christians can walk hand in hand when they don't see eye to eye

Lulu.com This book is for Roman Catholic and Evangelical Protestant lay people who wonder what relationship, if any, they might have with their friends who come from a different Christian faith tradition than their own. The authors aim to address that question in a practical way. They believe that while disagreements remain, it is possible to preserve the integrity of the faith while relating positively to Christians who cherish other beliefs. The opinions expressed in this book grew out of nearly thirty years of experience as evangelical protestant missionaries ministering in catholic parish communities in France. The goal of the book is to move the readers beyond simply understanding each other, to a place where they might begin using their diversity to stimulate and encourage each other in our common pursuit of obedient discipleship. We know of no other book which targets ecumenical lay relations in this way.

Encyclopedia of Religious and Spiritual Development

SAGE The Encyclopedia of Religious and Spiritual Development is the first reference work to focus on the developmental process of religion and spirituality across the human life span. Spiritual development is an important part of human development that has links to identity development, moral development, and civic engagement. This innovative Encyclopedia offers insight into the characteristics of people and their contexts that interact to influence religious and spiritual development over time. Editors Elizabeth M. Dowling and W. George Scarlett provide readers with glimpses into the religious and spiritual developmental trajectories of people from all over the world, from many different religious and spiritual backgrounds.

C.G. Jung and Nikolai Berdyaev: Individuation and the Person

A Critical Comparison

Routledge This book explores C. G. Jung's psychology through the perspective of the existential philosopher Nikolai Berdyaev, drawing striking parallels between Jung's theory of individuation and Berdyaev's understanding of the person. Placing Jung and Berdyaev firmly within the context of secular humanism, Nicolaus draws on their personal experiences of individuation to show how both writers seek to enable a renewal of our self-understanding as persons in a post-religious society. Topics of discussion include: the foundations of Berdyaev's personalism Jung's psychological interpretation of the Christian God-image individuation and the ethics of creativity. C. G. Jung and Nikolai Berdyaev: Individuation and the Person offers a fresh perspective on the ethical implications of Jung's theory and serves also as an introduction to Berdyaev's thought. As such this book will appeal to analytical psychologists, scholars engaged with Jungian thought and all those interested in the interface between spirituality and depth psychology.

Financing American Religion

Rowman Altamira Brings together short essays that emerged from an evaluation of the Lilly Endowment Inc.'s Financing American Religion initiative. Nineteen chapters (some previously published in well known works and others only in difficult-to-find pamphlets) explore who gives, how much, and why. They investigate how money moves and how it affects religious organizational behavior as well as how attitudes toward money have altered over time. Topics include individual giving as well as congregations and religious organizations and their resources. Annotation copyrighted by Book News, Inc., Portland, OR

Spirituality: A Very Short Introduction

OUP Oxford It has been suggested that 'spirituality' has become a word that 'can define an era'. Why? Because paradoxically, alongside a decline in traditional religious affiliations, the growing interest in spirituality and the use of the word in a variety of contexts is a striking aspect of contemporary western cultures. Indeed, spirituality is sometimes contrasted attractively with religion, although this is problematic and implies that religion is essentially dogma, moralism, institutions, buildings, and hierarchies. The notion of spirituality expresses the fact that many people are driven by goals that concern more than material satisfaction. Broadly, it refers to the deepest values and sense of meaning by which people seek to live. Sometimes these values are conventionally religious. Sometimes they are associated with what is understood as 'the sacred' in a broader sense - that is, of ultimate rather than merely instrumental importance. This Very Short Introduction, written by one of the most eminent scholars and writers on spirituality, explores the historical foundations of the thought and considers how it came to have the significance it is developing today. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

Hindu Spirituality

Postclassical and Modern

Motilal Banarsidass Publ. The term hindu is referred to the religious life of the people of India, and Spirituality understood as wisdom about the way back into the ground of pluralism of religious forms. These two volumes are structured along the division between the classical and the postclassical. Twenty seven scholars from around the world shed light on the spiritual beauty of Hinduisms poetry art and temples, festivals and music, as well as the contributions of modern pioneers such as Swami Vivekananda Sri Aurobindo, Mahatma Gandhi and others.

The Spiritual Journey

St Bede's Publications A collection of guides to the spiritual journey. The authors deal with such masters as Cassian, St. Benedict, John of Forde and Carl Jung, discussing ideas from East and West.

Protestant Spiritual Traditions

Wipf and Stock Publishers

Studying Christian Spirituality

Routledge This book provides a new introduction to the study of Christian spirituality, exploring it through the human sciences and ranging from philosophy and hermeneutics to psychology, history, sociology and anthropology. Systematic and progressive, it introduces the key approaches and shows how they relate to the understanding, study and practice of spirituality. Covering a vast amount of ground - from traditional themes such as images of God, spiritual direction and pilgrimage to more contemporary issues, such as place and space, cyberspace and postcolonialism - the author takes an ecumenical, inclusive stance, allowing the book to be used in a wide variety of courses and across denominations.

A Journey Through Christian Theology

With Texts from the First to the Twenty-First Century

Fortress Press "The history of Christian theology can be a daunting, even forbidding field for the novice, who sees neither the need for nor pertinence of rummaging around dusty old texts. This people-friendly volume, a full-scale reader in the history of Christian theology, offers an easy, non-threatening, occasionally humorous yet quite thorough entry into Christianity's central texts from the Apostolic Fathers to Mary Daly. It is also enlivened by dozens of cartoons by Rich Diesslin. Highly accessible introductions to five periods precede brief introductions to and texts from more than fifty key thinkers. The texts highlight perennial themes and questions in Christian tradition, especially the meaning and importance of Jesus, challenges to the institutional church, tensions of faith and reason, spirituality, and the Christian quest for social justice. The new edition, half again as large as the original, adds significant work from the Cappadocian Fathers and the Christological controversialists, the Franciscan tradition, the Radical and English reforms, and deeper coverage of twentieth-century theologians. With learning aids, research-paper suggestions and guide, and glossary" -- Publisher description.

The Story of Christian Spirituality

Two Thousand Years, from East to West

Lion Books The Christian faith has had a phenomenal impact on the development of the western world. This beautifully illustrated introduction to Christian spirituality through the centuries covers all the major traditions--East and West, Catholic, Orthodox, and Protestant, with special articles on key spiritual concepts, practices, and movements that continue to influence the way people all over the world live their lives in response to God. It also includes information on people and movements from outside the Church that have influenced Christian life and thought throughout 2,000 years. Also included are extracts from more than 100 of the greatest Christian spiritual writings--from the Gospels through the early Church Fathers, the saints and mystics, the reformers, and modern spiritual writers such as Scott Peck and C. S. Lewis.

The Christian Religious Tradition

Wadsworth Publishing Company
