### 50 LESSONS FOR LIFE'S LITTLE DETOURS

---

**Hachette UK** *Already an internet phenomenon, these wise and insightful lessons by popular newspaper columnist and Pulitzer Prize finalist Regina Brett will make you see the possibilities in your life in a whole new way. When Regina Brett turned 50, she wrote a column on the 50 lessons life had taught her. She reflected on all she had learned through becoming a single parent, looking for love in all the wrong places, working on her relationship with God, battling cancer and making peace with a difficult childhood. It became one of the most popular columns ever published in the newspaper, and since then the 50 lessons have been emailed to hundreds of thousands of people. Brett now takes the 50 lessons and expounds on them in essays that are deeply personal. From "Don't take yourself too seriously-Nobody else does" to "Life isn't tied with a bow, but it's still a gift," these lessons will strike a chord with anyone who has ever gone through tough times--and haven't we all?*

## INTRODUCING AN EXTRAORDINARY ENERGY HEALING MODALITY

---

**Hay House, Inc** Discover the worldwide phenomenon of ThetaHealing® and how it can help you to achieve transformational healing in this revised and updated edition of Vianna Stibal's definitive guide. In 1995, Vianna Stibal was diagnosed with a serious health condition. When conventional and alternative medicine failed her, she discovered a simple technique that cured her illness and sparked a worldwide phenomenon. ThetaHealing® is essentially applied quantum physics. Using a theta brain wave, which until now was believed to be accessible only in deep sleep or yogi-level meditation, the practitioner is able to connect with the energy of All That Is - the energy in everything - to identify issues with and witness healings on the physical body, and to identify and change limiting beliefs. In this revised and updated edition, you will discover: - the belief and feeling work that can instantly change the thinking within you that creates illness - the 7 Planes of Existence, a concept that allows you to connect to the highest level of love and energy of All That Is - how to develop the ability to change on all levels: physically, mentally, emotionally and spiritually, using the Creator of All That Is.

## NEW TENDENCIAS IN MEXICAN ART

---

---

## THE 1990'S

---

**Springer** Since the 1980s there has been considerable interest in Mexico and its art, as one can see from the sheer number of exhibitions, catalogues, and articles devoted to the subject. Despite this interest, there are few books devoted to contemporary Mexican art. *New Tendencies in Mexican Art* is the first book-length study devoted to a generation of Mexican artists who have had enormous international success. It focuses on several 'tendencies' Gallo has identified as prominent themes in the work of these artists including orientalism, perversion, and a fascination with urban culture.

## DARK PSYCHOLOGY AND MANIPULATION

---

---

## A PSYCHOLOGICAL GUIDE TO HUMAN BEHAVIOR. HOW TO ANALYZE PEOPLE TO DEFEND YOURSELF FROM BRAINWASHING, DARK NLP, EMOTIONAL MANIPULATION, PERSUASION AND MIND CONTROL

---

Do you want to avoid falling victim to malicious and manipulative people? Do you have people in your home life, work life, or social life that are overbearing and controlling? Do you feel like there are people who are taking advantage of you, and you want to understand how they are able to do it? If you want to regain control of your life, then keep reading. Dark Psychology is becoming more and more used by those who want to control your actions, to get what they want. The current structure of society contributes to the increase in manipulation through the use of intimidation, non-verbal cues, hypnosis and more. All in all, it is quite clear that the knowledge of this subject is necessary for daily survival. If the dark psychology techniques are used by manipulative and toxic people, they can have devastating effects on the minds and lives of their victims. So, it's very important that we know what kinds of traits malicious and exploitative people have, and understand the psychological drives that lead the people to act in ways that are against social norms and are harmful to others. *Dark Psychology and Manipulation* is written in a simple and clear language, and it doesn't waste your time with technical jargon or long winding anecdotes. This book goes directly to the point, and it teaches you valuable skills which you can apply every single day as you try to keep people from taking advantage of you. You Will Learn: - The meaning and the roots of dark psychology so that you have a foundational understanding of why people act in evil ways towards each other. - The dark traits so that you understand the characteristics and motivations of Machiavellians, narcissists, and psychopaths. - All the techniques and tricks that malicious people use to control others and to exploit them. - How manipulative people talk, act, and behave so that you can see them come from a mile away and avoid falling into their traps. - Which personality traits make you more vulnerable to manipulation. - Various defense techniques that you can use to keep manipulators at bay, and how you can boost your self-esteem and willpower so that when manipulators come knocking, you will be prepared for them. If you need the tools to keep others from taking advantage of you using psychological tricks, *Dark Psychology and Manipulation* is a must read for you. Would You Like to Know More? ## DISCOVERING THE MAGIC OF THE PRESENT MOMENT

---

**Shambhala Publications** Cut through the busyness and anxieties of daily life to discover the simple happiness of living in the present moment, as taught by a world-renowned Zen monk In this book, Thich Nhat Hanh—Zen monk, author, and meditation master—distills the essence of Buddhist thought and practice, emphasizing the power of mindfulness to transform our lives. But true mindfulness, Hanh explains, is not an escape. It is being in the present moment, totally alive and free. Based on a retreat that Thich Nhat Hanh led for Westerners, *You Are Here* offers a range of effective practices for cultivating mindfulness and staying in the present moment—including awareness of breathing and walking, deep listening, and skillful speech. These teachings will empower you to witness the wonder of life and transform your suffering, both within and outside you, into compassion, tenderness, and peace. As Thich Nhat Hanh declares, “the energy of mindfulness is the energy of the Buddha, and it can be produced by anybody.” It is as simple as breathing in and breathing out.

## WHAT I KNOW FOR SURE

---

**Pan Macmillan** Candid, moving, exhilarating, uplifting, and frequently humorous, the words Oprah shares in *What I Know For Sure* shimmer with the sort of truth that readers will turn to again and again. As a creative force, student of the human heart and soul, and champion of living the life you want, Oprah Winfrey stands alone. Over the years, she has made history with a legendary talk show (the highest-rated program of its kind), launched her own television network, become the USA's only African-American billionaire, and been awarded both an honorary degree by Harvard University and the Presidential Medal of Freedom. From all her experiences, she has gleaned life lessons - which, for fourteen years, she's shared in *O, The Oprah Magazine's* widely popular 'What I Know For Sure' column, a monthly source of inspiration and revelation. Now, for the first time, these thoughtful gems have been revised, updated, and collected in *What I Know For Sure*, packed with insight and revelation from Oprah Winfrey. Organized by theme - joy, resilience, connection, gratitude, possibility, awe, clarity, and power - these essays offer a rare, powerful and intimate glimpse into the heart and mind of one of the world's most extraordinary women, while providing readers a guide to becoming their best selves.

## MEXICO

---

---

### DEMOCRACY INTERRUPTED

---

---

**Yale University Press** *In 2000, Mexico's long invincible Institutional Revolutionary Party (PRI) lost the presidential election to Vicente Fox of the National Action Party (PAN). The ensuing changeover--after 71 years of PRI dominance--was hailed as the beginning of a new era of hope for Mexico. Yet the promises of the PAN victory were not consolidated. In this vivid account of Mexico's recent history, a journalist with extensive reporting experience investigates the nation's young democracy, its shortcomings and achievements, and why the PRI is favored to retake the presidency in 2012.* Jo Tuckman reports on the murky, terrifying world of Mexico's drug wars, the counterproductive government strategy, and the impact of U.S. policies. She describes the reluctance and inability of politicians to seriously tackle rampant corruption, environmental degradation, pervasive poverty, and acute inequality. To make matters worse, the influence of non-elected interest groups has grown and public trust in almost all institutions--including the Catholic church--is fading. The pressure valve once presented by emigration is also closing. Even so, there are positive signs: the critical media cannot be easily controlled, and small but determined citizen groups notch up significant, if partial, victories for accountability. While Mexico faces complex challenges that can often seem insurmountable, Tuckman concludes, the unflagging vitality and imagination of many in Mexico inspire hope for a better future.

#### HOW KNOWING OURSELVES CAN MAKE US MORE LIKE JESUS

---

---

**Brazos Press** *Author A. J. Sherrill still remembers the moment when his life was forever changed by a word he didn't even understand at the time: Enneagram. A personality theory that includes nine different "types," the Enneagram has become a popular tool for self-awareness and improvement. But in this book, Sherrill goes deeper, exploring with Christians how the Enneagram can be a pathway to profound spiritual transformation. Sherrill reveals the Enneagram as a tool to unlock new ways of viewing identity, personality, discipleship, spiritual practices, evangelism, and the Bible. Using this fresh approach, Sherrill shows how our true identity is that of a beloved child of God. Recognizing that, we can move confidently into the world expressing this identity through our unique personality. Through Sherrill's detailed spiritual exploration of each type, readers will emerge viewing the Enneagram as a precious gift to following Jesus more closely. Foreword by Chuck DeGroat.*

## BOMBAY SMILES

---

---

**Paul Dry Books** "Sanllorente's story, reminiscent of Greg Mortenson's *Three Cups of Tea*, is remarkable and uplifting."—Booklist In 2003, Jaume Sanllorente was a young journalist leading an active and exciting life in Barcelona—no more idealistic than any other young professional. Then a travel agent convinced him to spend his vacation in India. Amazed by what he saw in the land of sacred cows and shocking poverty, Jaume was transformed. That experience led him to reconsider the world he lived in and caused him to think that he might do something to make it a little better. He devoted himself to helping a small orphanage in Bombay, one that was about to close its doors and send its forty children back to the streets (and the brothels) from which they had been rescued. Jaume seized the moment, determined not to let that happen. As a consequence, he changed his life, and much more as well. In *Bombay Smiles*, Jaume Sanllorente gives us an insightful and loving vision of a country of great contrasts. He reveals that the secret of his own happiness is in seeking happiness for others. *Bombay Smiles* is a story of loneliness, ransoms, dangers, injustices, threats of death, and acts of courage, which give an example to follow in spite of the adversities one might meet. It is a lesson of wise love, surrender, sacrifice, and hope, which invites us to start on the path toward a better world.

## THE ISLAND OF LAST TRUTH

---

---

**Europa Editions UK** “I don’t remember who introduced me to Dr. Prendel. However, I do know that it was at the home of Martin Fleming, the psychiatrist, during a get-together of the faculty professors to celebrate his promotion from Assistant Dean to Dean, and I was immediately captivated by his reserved, taciturn attitude and the indifference with which he looked around him, as if he knew exactly what would happen and what would be said...” Legend has it that Dr. Matthew Prendel, an expert sailor, had been shipwrecked years before the action in *The Island of Last Truth* opens in contemporary New York. His boat was attacked by pirates. He survived thanks to an incredible stroke of luck, while his entire crew perished, but then found himself embroiled in a ferocious fight for survival between two castaways on a desert island. There, too, he was lucky and came out the victor. But perhaps luck played no part in it. Perhaps something darker was at work and at stake. The only sure thing is that Matthew Prendel disappeared for five whole years. He has been back in New York now for a couple of years. That’s what they say at least. Though one should never rely entirely on hearsay. *The Island of Last Truth* is part adventure story, part noir, and party mystery, one that, like many novels belonging to the adventure genre, doesn’t shy away from incisive observations about the nature of human relations.

## FOUR QUESTIONS THAT CAN CHANGE YOUR LIFE

---

---

**Random House** Bryon Katie found herself at a complete dead end in her life, she felt increasingly depressed and over a ten-year period had sunk into an existence of depression, despair and rage. Then one morning she woke up in a state of absolute joy, filled with the freedom of knowing her suffering had ended. Determined to give people a way to discover for themselves what she had experienced, Katie has developed a simple method of self-enquiry that she calls *The Work*, four simple questions that allow you to see the problems that are troubling you in a whole new light. *The Work* is a life-transforming system for discarding the stories we tell ourselves, which are the source of our suffering, and replacing them with the truth and a life of joy and peace.

## PHILOSOPHY IN CRISIS

---

---

---

### THE NEED FOR RECONSTRUCTION

---

**Prometheus Books** *Is philosophy dead? Some philosophers have declared it to be so, and judging by some of the mental acrobatics now fashionable in postmodernist circles a reasonable person might have to agree. Though recognizing the moribund state of current academic philosophy, Mario Bunge feels that this is a crisis from which the discipline can and will recover. To overcome the impasse Bunge argues that it is necessary to reconstruct philosophy by building a philosophical system that addresses real-world problems of everyday people in a clear, comprehensible fashion. The new system must be exact and compatible with contemporary science and technology. Above all, it should shun purely academic problems. This book offers glimpses of such a system while avoiding technical jargon unfamiliar to the lay reader. It is thus accessible to the average educated reader interested in such perennial philosophical concerns as What is matter?, What is mind?, What is the nature of society?, Are there limits to our knowledge?, What are the criteria for distinguishing genuine science from pseudoscience?, and How should human rights be balanced with moral obligations? These questions will always be of interest to thinking human beings, says Bunge, and philosophy, rather than becoming a fruitless, self-referential academic game, should be the main intellectual tool for exploring and clarifying such all important issues. Mario Bunge (Montreal, Quebec) is the Frothingham Professor of Logic and Metaphysics at McGill University, and is the author, editor, and/or translator of nearly 100 books, including The Dictionary of Philosophy and the eight-volume Treatise on Basic Philosophy.*

### SYSTEMIC CONSULTING

---

---

---

### THE ORGANISATION AS LIVING SYSTEM

---

**Createspace Independent Publishing Platform** *Consultants are usually invited to work in an organisation when its own managers are unable to find solutions to business problems. Then expert help is brought in - on a temporary basis. Systemic consulting is uniquely different from any other consulting approach in that it is not the consultant who is the expert, but the organisation itself. The authors regard organisations as living systems. Their grasp of what makes a living system, its characteristics and to what degree one can recognise them in an organisation, is what they write about in the first chapter. In chapter two they give an insight into the various sources of the systemic approach. In the third chapter they look more deeply into organisations as living systems. They discuss the fundamental needs that must be fulfilled in order to create a perfectly-sound organisational system. They also describe some reaction patterns which organisations might show if one or more of these needs are not met. In chapter four they encounter the systemic consultant. They start with the basic attitude needed to strengthen organisational systems and continue by elaborating what is so specific about the way the systemic consultant works. There were two reasons for writing the short, fifth, chapter about systemic coaching. There is its relationship with systemic consulting and the fact that many consultants also work as coaches. As the focus of the book is on supporting and strengthening organisational systems, this chapter, about individual coaching, is quite short. Consultants usually appear in organisations when something has gone wrong or when managers can't fix the problem themselves. But the systemic approach really can support the prevention of problems. It is satisfying when every person, carrying out their everyday tasks and duties, contributes easily to the vital energy of an organisation. As this is mainly in the hands of team leaders, managers and directors, chapter six offers some preventive and everyday systemic interventions as tools for these groups. In the seventh and last chapter they will give you an idea of how to look systemically at the world around you.*

### A PILGRIM'S TALE

---

**Thomas Nelson** *What happens when the pastor of a mega church loses his faith? Pastor Chase Falson has lost his faith in God, the Bible, evangelical Christianity, and his super-sized megachurch. When he falls apart, the church elders tell him to go away: as far away as possible. Join Chase on his life-changing journey to Italy where, with a curious group of Franciscan friars, he struggles to resolve his crisis of faith by retracing the footsteps of Francis of Assisi, a saint whose simple way of loving Jesus changed the history of the world. Read this riveting story and then begin your own life-changing journey through the pilgrim's guide included in this powerful novel. Hidden in the past lies the future of the church When his elders tell him to take some time away from his church, broken pastor Chase Falson crosses the Atlantic to Italy to visit his uncle, a Franciscan priest. There he is introduced to the revolutionary teachings of Saint Francis of Assisi and finds an old, but new way of following Jesus that heals and inspires. Chase Falson's spiritual discontent mirrors the feelings of a growing number of Christians who walk out of church asking, Is this all there is? They are weary of celebrity pastors, empty calorie teaching, and worship services where the emphasis is more on Lights, Camera, Action than on Father, Son, and Holy Spirit while the deepest questions of life remain unaddressed in a meaningful way. Bestselling author Ian Morgan Cron masterfully weaves lessons from the life of Saint Francis into the story of Chase Falson to explore the life of a saint who 800 years ago breathed new life into disillusioned Christians and a Church on the brink of collapse. Chasing Francis is a hopeful and moving story with profound implications for those who yearn for a more vital relationship with God and the world.*

### NINE FACES OF THE SOUL

---

**Penguin** *A groundbreaking exploration of the spiritual dimension of working with the enneagram by one of its earliest students and teachers in America. Here is one of the first books to explore in an authentic and comprehensive way the original spiritual dimension of the enneagram. Among the most knowledgeable teachers of the enneagram in America, Sandra Maitri shows how the enneagram not only reveals our personalities, but illuminates a basic essence within each of us. She shows how traversing the inner territory particular to our ennea-type can bring us profound fulfillment and meaning, as well as authentic spiritual development.*
