Whitney's Spiritual Disciplines for the Christian Life** Everest Media LLC Please note: This is a companion version & not the original book. **Sample Book Insights:** #1 Discipline is important in the Christian life, and it is important to understand what you will become. God's elect will ultimately conform to the image of Christ, and until then, they are to grow toward it. #2 The pursuit of holiness is not what qualifies us to see the Lord. It's the Lord who qualifies us to see Him. We cannot produce enough righteousness to impress God and gain admittance into heaven. Instead, we can only stand before God in the righteousness that has been earned by another, Jesus Christ. #3 The Bible teaches that Christians should discipline themselves in order to become mature and godly. The only road to Christian maturity and godliness passes through the practice of the Spiritual Disciplines. #4 The Spiritual Disciplines are the habits of devotion and experiential Christianity that have been practiced by the people of God since biblical times. They are the means of blessings for followers of Jesus and a part of their growth in godliness. **Praying the Bible** Crossway "This little book is explosive and powerful." R. For some, it means nothing more than vague self-improvement pulled from the latest best-selling self-help book. For others, it refers to some generic religious practice. Shedding life-giving light on what often remains ill-defined and unclear, this book sets forth a vision of biblical spirituality—"a renewed sense of the momentousness of being alive in God's world as God's people are led by God's Spirit through God's Word unto godly, Christlike character." With careful exegetical work and theological reflection, the contributors—pastors and scholars such as Christopher W. Morgan, Paul R. House, Nathan A. Finn, and Gregg R. Allison—address spirituality from the perspective of the Bible, exploring topics such as the Trinity, divine sovereignty and human responsibility, the "already" and "not yet," and the church. This book also addresses practical questions about spirituality related to the workplace, disciplines of the body, and more. **How Can I Be Sure I'm a Christian? In this day and age, how can we be a genuine community based on self-sacrifice and mutual commitment? In *Spiritual Disciplines Within the Church*, seminary professor, author, and former pastor Don Whitney shows us how to build a sense of community and be active participants instead of passive attendees. Whitney looks at such frequently asked questions as: Why can't I get by on my own? Why should I go to church? Why should I give of myself to the church? Why do I need to worship in church? Couldn't I just worship in nature? Why does it matter whether I become a member of the church? Committed love must mark the local expression of the body of Christ. Its detachment from the church and conventional definitions of religious practice highlights the seeming redundancy of what has come before. "Spirituality" in this light signals a new attempt to find wholeness unencumbered by outmoded doctrines and stale rituals. It is the conviction of this publication that the intuition behind contemporary searches for spiritual reality is a good one. It acknowledges that there must be more to life than what secular media or consumerism might tell us. The joyful message of *Perspectives on Prayer and Spirituality* is that the spiritual quest is a valid one and worth exploring. There is treasure to be found. However, the surprise is that we must rediscover what we have left behind. In the words of G. K. Chesterton, "it is not that the Christian ideal has been tried and found wanting, rather it has been found difficult and left untried." This book offers us the tools to mine the riches of Christian spirituality and find that elusive treasure. The title, *Perspectives on Prayer and Spirituality*, alerts us to the fact that life-giving spirituality stems from relationship with a personal God who can be known. **Paul's Spirituality in Galatians A Critique of Contemporary Christian Spiritualities** Wipf and Stock Publishers Spirituality is a hot topic in today's culture. Spirituality is essentially how one's beliefs and experiences influence the way one lives their life. Such influences for living are of critical importance to one's faith within the Christian community. What role

does the Bible play in developing an expressed spirituality among the Christian community? How do one's religious traditions, cultural influences, and personal preferences influence the way Christian spirituality is perceived and expressed? All too often, and at times unintentionally, the foundational truths of the Bible are subordinated to tradition, culture, and personal preference. This book provides a context for understanding Paul's foundational components for Christian spirituality within the book of Galatians while showing how an accurate understanding of these components can and should serve as a corrective lens to various aspects of Christian spirituality as expressed and experienced today. **The Future Shape of Anglican Ministry** Regent College Publishing A new generation of leadership is emerging within the Anglican Communion. This book examines the challenges and opportunities facing these young leaders and Anglicanism more broadly. It explores the nature and shape of Anglican ministry in the new millennium. Designed for those who are considering ordination and those who are in training for the same, it is of appeal to lay leaders as well. Donald M. Lewis (DPhil, Oxford) is Professor of Church History and Academic Dean at Regent College in Vancouver, British Columbia. An active Anglican, he is also the secretary of Regent College's Anglican Studies Program.

CONVERSATIONAL EVANGELISM Defending the Faith, Reasoning from the Scriptures, Explaining and Proving, Instructing in Sound Doctrine, and Overturning False Reasoning Christian Publishing House **EVANGELISM DISCIPLESHIP The Great Commission of Making Disciples** Christian Publishing House After the apostle Paul had done some tent making in Corinth with Aquila and Priscilla, Luke tells us at Acts 18:5, "when Silas and Timothy came down from Macedonia, Paul began devoting himself completely to the word, solemnly testifying to the Jews that Jesus was the Christ." We note "Paul began devoting himself completely." Why more so than before? Verses 9 and 10 go on to say, "the Lord said to Paul in the night by a vision: 'Do not be afraid any longer, but go on speaking and do not be silent; for I am with you, and no man will attack you in order to harm you, for I have many people in this city.'" We too have similar reasons for devoting ourselves 'more completely to the Word of God.' Yes, unquestionably, God has "many people" in all the cities throughout the world, including our community. These ones need to be discovered and 'taught everything Jesus commanded.' The wait for Jesus' second coming will not last forever, so we need to be awakened to our responsibility of proclaiming biblical truths, teaching, and making disciples of those who have a receptive heart. **YOUR WORD IS TRUTH Being Sanctified in the Truth** Christian Publishing House **Small Church, Excellent Ministry A Guidebook for Pastors** Wipf and Stock Publishers Pastors of smaller membership churches have a huge calling. They are responsible for changing the world! Rather than look at the small number of members in their congregations as a limitation, pastors should view their congregations as an elite force, able to impact their communities for the Kingdom of God. *Small Church, Excellent Ministry* is a handbook designed for pastors serving in smaller membership churches. This book will help you to conduct your ministry with excellence. Written by practitioners and professors, the information provided in this book is on the vanguard of pastoral ministry and is useful for training pastors to be leaders of their churches. **Orando la Biblia** B&H Publishing Group Cuando usted ora, ¿le parece como si dijera las mismas cosas sobre todo lo habitual? After reviewing these writers, Dr. Swete proceeds in the closing chapters to recommend ways of applying the work of the Fathers for the objectives of those in different religious and theological studies. Patristic Study endeavors to draw the attention of the reader to the enormous storehouse of wisdom which are found in the writings of the Fathers of the ancient church. Pillars of Christian thought in the early Christian life, the Church Fathers are still extremely important. As Henry Barclay Swete states, "The Fathers, in the stricter sense of the term, are the great champions of orthodox belief." Andrews will give the readers a thrilling account of first-century Christianity. When and how did they come to be called Christians? *The Holy Spirit in first century Christianity*. **The Oxford Handbook of Evangelical Theology** Oxford University Press This volume surveys the state of the discipline on topics of greatest importance to evangelical theology.
