### KEY=WITCHES - KYLEIGH FRENCH

**The Witches of Worm** *Simon and Schuster* Cats. Jessica's never liked them. Especially not a skinny, ugly kitten that looks like a worm. Worm. Jessica wishes she'd never brought Worm home with her, because now he's making her do terrible things. She's sure she isn't imagining the evil voice coming from the cat, telling her to play mean tricks on people. But how can she explain what's happening? Witches. Jessica has read enough books to know that Worm must be a witch's cat. He's cast a spell on her, but whom can she turn to? After all, no one will believe that Worm has bewitched her...or worse! **The Fork, the Witch, and the Worm Tales from Alagaësia** *Knopf Books for Young Readers* Three new stories of Eragon set a year after he left Alagaësia to find a home to train the newest generation of Dragon riders. **The Fork, the Witch, and the Worm Tales from Alagaësia Volume 1: Eragon** *Penguin UK* It's been a year since Eragon departed Alagaësia in search of the perfect home to train a new generation of Dragon Riders. Now he is struggling with an endless sea of tasks: constructing a vast dragonhold, wrangling with suppliers, guarding dragon eggs and dealing with belligerent Urgals and haughty elves. Then a vision from the Eldunari, unexpected visitors and an exciting Urgal legend offer a much-needed distraction and a new perspective. This volume features three original stories set in Alagaësia, interspersed with scenes from Eragon's own unfolding adventure. Included is an excerpt from the memoir of the unforgettable witch and fortune-teller Angela the herbalist, penned by Angela Paolini, the inspiration for the character, herself! Relish the incomparable imagination of Christopher Paolini in this thrilling new collection of stories based in the world of the Inheritance Cycle. **The Witches of Worm** *Turtleback* A lonely twelve-year-old is convinced that the cat she finds is possessed by a witch and is responsible for her own strange behavior. Requires the Old-School Essentials Core Rules book to play.** **Worms of Worm/Witches of worm The Inheritance Almanac An A-Z Guide to the World of Eragon** *Random House* An official, authorized guide to the exciting world of Alagaesia, for loyal fans and for those who are new to there epic adventures. **The Worm Ouroboros** *Lindhardt og Ringhof* The book that set the stage for Tolkien's 'The Lord of the Rings', 'The Worm Ouroboros' tells a sweeping tale of political - and mystical - battles between heroic warriors, witches on crooked mountaintops and the ocean's darkest depths. Interlaced with brewing romances and devilish trickery, The Lords of Demonland go head-to-head with the Lords of Witchland in one epic fantasy. Crafted with expert language, Eddison provides a reading experience like no other. 'The Worm Ouroboros' is ideal for fantasy fans of 'The Lord of the Rings' and 'The Hobbit'. **Erick Rücker Eddison, CB, CMG (1882-1945)** was an English civil servant and widely celebrated author of epic fantasy novels. Spanning 'The Worm Ouroboros' and 'Zimiamvia Trilogy', his work crafted fantastical, mythical lands using meticulously created Jacobean prose. Tolkien in particular praised 'The Worm Ouroboros' as inspiration for his 'The Lord of the Rings' series. Eddison remains an influential pioneer of the fantasy genre. **The Chaos Gods Come to Meatlandia** *Lulu.com* **Inheritance Inheritance Book 4** *Random House* Not so very long ago, Eragon - Shadeslayer, Dragon Rider - was nothing more than a poor farm boy, and his dragon, Saphira, only a blue stone in the forest. Now, the fate of an entire civilization rests on their shoulders. **Which Witch?** *Pan Macmillan* **Which Witch?** is a brilliantly witty tale of magic and marriage by Eva Ibbotson, shortlisted for the Carnegie Medal. 'Find me a witch!' cried Arriman the Awful, feared Wizard of the North. Arriman has decided to marry. His wife must be a witch of the darkest powers - but which witch will she be? To find the most fiendish, he holds a spell-casting competition. Glamorous Madame Olympia performs the terrifying Symphony of Death and conjures up a thousand plague-bearing rats. The magic of gentle Belladonna, the white witch, goes hopelessly wrong. She produces perfumed flowers instead of snakes. And bats roost in her golden hair instead of becoming blood-sucking vampires. Poor Belladonna longs to be an evil enchantress - but how? 'This kind of fun will never fail to delight' - Philip Pullman. **The Witches of Karres** *Gollancz* **Captain Pausert**, master of the old pirate chaser Venture has finally found his niche. Unlucky in love and unsuccessful in business on his home planet, he seems to have a knack for selling job lot cargoes around the fringes of the Empire. In fact, he's so far ahead of the game that he even finds time for the occasional heroic act. Like rescuing three poor child slaves from their abusive masters. And then discovers he's broke again, wanted by the authorities and at odds with the most malevolent force in all of space. For Pausert hasn't rescued any ordinary put upon juvenile slaves but three of the legendary witches of Karres complete with awesome psi powers... **When People Come First Critical Studies in Global Health** *Princeton University Press* **When People Come First** critically assesses the expanding field of global health. It brings together an international and

interdisciplinary group of scholars to address the medical, social, political, and economic dimensions of the global health enterprise through vivid case studies and bold conceptual work. The book demonstrates the crucial role of ethnography as an empirical lantern in global health, arguing for a more comprehensive, people-centered approach. Topics include the limits of technological quick fixes in disease control, the moral economy of global health science, the unexpected effects of massive treatment rollouts in resource-poor contexts, and how right-to-health activism coalesces with the increased influence of the pharmaceutical industry on health care. The contributors explore the altered landscapes left behind after programs scale up, break down, or move on. We learn that disease is really never just one thing, technology delivery does not equate with care, and biology and technology interact in ways we cannot always predict. The most effective solutions may well be found in people themselves, who consistently exceed the projections of experts and the medical-scientific, political, and humanitarian frameworks in which they are cast. When *People Come First* sets a new research agenda in global health and social theory and challenges us to rethink the relationships between care, rights, health, and economic futures. *The Stones Are Hatching* Oxford University Press - Children Phelim was the only one, they said, who could save the world from the Hatchlings of the Stoor Worm who had been asleep for aeons. But how could a boy save the world from all these dreadful monsters? And where could he find the Maiden, the Fool, and the Horse who were supposed to help him? *The Night Battles (RLE Witchcraft) Witchcraft and Agrarian Cults in the Sixteenth and Seventeenth Centuries* Taylor & Francis Based on research in the Inquisitorial archives, the book recounts the story of a peasant fertility cult centred on the benandanti. These men and women regarded themselves as professional anti-witches, who (in dream-like states) apparently fought ritual battles against witches and wizards, to protect their villages and harvests. If they won, the harvest would be good, if they lost, there would be famine. The inquisitors tried to fit them into their pre-existing images of the witches' sabbat. The result of this cultural clash which lasted over a century, was the slow metamorphosis of the benandanti into their enemies - the witches. Carlo Ginzburg shows clearly how this transformation of the popular notion of witchcraft was manipulated by the Inquisitors, and disseminated all over Europe and even to the New World. The peasants' fragmented and confused testimony reaches us with great immediacy, enabling us to identify a level of popular belief which constitutes a valuable witness for the reconstruction of the peasant way of thinking of this age. *SCORE Spiders, Worms, Witches and Germs A 2020 Collection* For your reading pleasure...20 short stories featuring rituals, sorcery and forbidden love.
