

# Creative Teaching & Learning

Volume 5.1

Out of class

## Flipping classrooms

The classroom phenomenon  
turning teaching upside down  
in schools all over the world

### Assessment in the new curriculum

An overview of the upcoming  
changes to the way schools  
track and assess pupil progress

### Wild at heart

Enriching the learning  
experience with animal-inspired  
lessons, creatures in the  
classroom, zoo trips and more
